JESSICA ANDREWS

NOW

CD 50356 € 21.50

• A mere lass of 19, Jessica Andrews projects wisdom beyond her years on her third album -- and a natural-gal sultriness to boot. Bursting with joy and energy, Andrews turns in a set of quality material: She co-wrote a few of the songs, picked some others from top-flight Nashville writers, and enlisted Byron Gallimore (Tim McGraw's co-producer) to dress them up with a punchy country-pop sound and soaring orchestral backdrops.

• The voice of Jeannie Kendall is one of the most memorable in country music, showcased here in a brilliant acoustic-based setting with support from some of the best players in the business, including Union Station (on four songs), Rob Ickes, Stuart Duncan and Ron Stewart. With guest vocals by country and bluegrass stars Steve Gully, Alan Jackson, Alison Krauss, Allison Moorer, Ricky Skaggs and Rhonda Vincent, the supporting harmonies are sublime. As half of the Grammy-winning duo, The Kendalls (with her father, the late Royce Kendall), Jeannie struck gold with the number one country hits 'Heaven's Just A Sin Away', 'Sweet Desire' and 'Thank God For The Radio,' but her solo debut may be her most heartfelt and timeless recording yet. She's never sounded better.

SAMMY KERSHAW**I WANT MY MONEY BACK** CD 0311 002 € 21.90

I Want My Money Back- Miss What's Her Name- Metropolis- Sunday Morning On Burbon Street- Stitches- Beer, Bait And Ammo- 28/83 (She Ain't In It For The Love)- Gone For Good Goodbye- I've Never Been Anywhere- The Paper Heart- Are You Having Fun Yet?

• (2003/AUDIUM) 11 tracks After about a decade, Sammy Kershaw parted ways with Mercury Nashville after his 1999 album Maybe Not Tonight, resurfacing four years later on Audium/Koch with I Want My Money Back. A switch to an independent at this stage of the game pretty much takes Kershaw out of the running for the charts, but he thanks God in the liner notes "for giving me another chance to do what I love to do so much," so chances are, his eyes aren't on the charts anyway. Kershaw also calls it the best album he's done to date, and he very well might be right.

• Hier ist die komplette Geschichte Conway Twitty's mit den Jahren, ehe er zu Country wechselte. Nachdem er 1956 bei Sun Records begann und 57 zu Mercury ging, schaffte er 58 bei MGM den Durchbruch mit It's Only Make Believe. Auf 8 CDs verteilt sind all diese klassischen Aufnahmen hier. Brauchen Sie die, wenn Sie bereits die LP Box haben Jawohl! Alles zusammen sind hier 40 Aufnahmen, die vorher nie erhältlich waren. Alle Rock'n Roll Hits sind dabei wie It's Only Make Believe, Mona Lisa, Lonely Blue Boy, Hey Little Lucy ebenso wie das seltene, nur in England veröffentlichte Rosaleena. Neu in diesem Set ist eine doppelseitige Instrumental-Single Highland Rock/Midnight Creep von Conway und seiner Band, dazu alle ABC Aufnahmen - viele vorher unveröffentlicht, weiter dann 20 ebenfalls unveröffentlichte MGM Aufnahmen von Bändern, die unlängst gefunden wurden. Here's the complete story of Conway Twitty in the years before he switched to country. After starting at Sun Records in 1956 and going to Mercury in '57, Conway broke through on MGM in 1958 with It's Only Make Believe. All these classic recordings are complete here on 8 CDs. Do you need this if you already have our LP box Yes you do! Altogether there are more than 40 recordings that have never been available before. All the rock 'n' roll hits are here of course, like It's Only Make Believe, Mona Lisa, Lonely Blue Boy, and Hey Little Lucy, as well as the rare British only release of Rosaleena. New to this set is a double-sided instrumental single, Highland Rock/Midnight Creep featuring Conway and his band, plus all the ABC recordings—many previously unissued, and more than 20 previously unissued MGM tracks from recently discovered tapes.

Dwight Yoakam didn't need a box set to remind us he was kicking ass and taking names even before he signed with Warner Bros. in 1985. But with the four-disc extravaganza Reprise Please Baby: The Warner Bros. Years -- featuring over two dozen previously unreleased tracks -- Yoakam dazzles with his staggering artistry and infallible command of all things country -- and then some. Three of the discs collect tracks from his catalog (as well as cuts he's contributed to other artists' projects), a batch of material that handily proves Yoakam's genius when it comes to adapting traditional sensibilities to contemporary styles. Acknowledged as the foremost contemporary purveyor of the hard-edged Bakersfield sound pioneered by his heroes Buck Owens and Merle Haggard,

When top-class singer Keith Whitley joined the New South, Crowe built a new sound for his band, a sound that combined their love of bluegrass with classic honky-tonk and western swing influences. Specially re-mixed for CD release, this long-unavailable 1978 classic boasts a unique blend of American music that still sounds fresh today.

Narvel Felts & Jerry Mercer

More Radio Rockabillicies

CD RSR 012 EUR 19.17

Diese CD ist voll mit Radio Shows aus dem Jahr 1956. 35 Tracks, ja ganz genau, 35 Tracks sind auf diesem Silberling, der vollgepackt ist mit feinsten Rockabilly-Mucke wie z.B. *Lawdy Miss Clawdy*, *Blue Suede Shoes*, *My Baby Left Me*, *Seven Nights To Rock*, *Gone, Gone, Gone* und *Heartbreak Hotel*. Das alles in bester Qualität, also nicht das übliche Bad Quality Radio Show Zeug! Das Booklet ist voll mit Informationen und abgefahrenen Fotos! Ein absolutes Muß!!

Wow! Nachdem Du die ersten Beats dieser CD gehört hast, kannst Du sicher sein, dass Mama die Männer mit den weißen Kitteln und der Zwangsjacke bestellt hat, da Du durch die local Chill Out Section Eures 4-Zimmer Vorstadt Bungalows festst und irgendwo zwischen dem Kunstfaserteppich und Zimmerdecke abfeierst! Ja, Eure Nachbarn sind mittlerweile in die Stadtmitte gezogen, da dort der Lärm leichter zu ertragen ist, und es das kleinere Übel ist, die Kinder zwischen Autobussen und tausenden von Chevys, Fords und Cadillacs zu erziehen, als unter Deinen Rock'n'Roll Star-Allüren zu leiden! Den Spielplatz hast Du ja ohnehin schon zu einem Dancefloor umfunktioniert und die Kinder vertrieben, indem Du ihnen ständig das Eis und die Bonbons weggenommen hast! Was soll das werden? Die Vorstadt Revolution? Anzeigen laufen schon genug und Du wirst die Nachbarschaft garantiert aus der Sicht des Angeklagten wiedersehen, aber was soll's man lebt nur einmal!

Cooler R'n'B und Rock'n'Roll Kracher u.a. von Joe Houston, Sam Butera, Hal Smith, H-Bomb Ferguson, Frankie Ford und Hardrock Gunter!

I'll Give'em Rhythm

CD BCK 27108 EUR 15.50

Rhythm,! Ja Mann, That's what you'll get! 29 Honky Tonk, Hillbilly Boogie und Western Swing Perlen werden Euren Samstags Square Dance zu einer gepflegten Barnburner Party umwandeln! Paßt auf, daß Ihr beim Abhotten nicht auf die freilaufenden Hühner tretet, während die anderen Checks Dich abfeiern, denn mit der Musikkladung bist Du der Held vom Erdbeerfeld! Also ab geht's zu Tracks wie *Boogie Woogie On A Saturday Night*, *Hesitation Boogie*, *Sixty Minute Man* und *I'll Give'em Rhythm*!

Joe Turner

Joe Turner / Rockin' The Blues

CD COL 6419 EUR 19.50

Wenn Du Dich selbst als Rock'n'Roller bezeichnest und Joe Turner nicht kennst, bist Du kleiner! Ja klar, Du kennst *Shake*, *Rattle And Roll* vom King oder Bill Haley, bist auch vertraut mit *The Chicken And The Hawk* von Tommy Sands und Wow! Du kennst sogar *Honey Hush* von Johnny Burnette ... ganz groß! Aber kennst Du auch die Originale? Nein? Bist Du crazy? Also Bruder, das ist die letzte Chance Deinem Rock'n'Roller Status gerecht zu werden! Beeilung! Die Vermittlung angerufen und die Nummer gegen Kummer gewählt! Wir helfen Dir!

Keine Angst! Vielleicht können wir so den Ausschluß aus Deiner Local Rock'n'Roll Appreciation Society noch vermeiden! Vertrau' uns! Ruf' uns ruhig an! Hiermit versprechen wir, keinem Deiner Freunde und Nachbarn von Deiner Bildungslücke zu erzählen!

Wow! If you listen to the first beats of this CD, be sure you'll be ready to let your mum call the men with the straight jackets because you'll bounce from wall to wall and havin' a party somewhere between the floor and the ceiling of your local relaxing section in your four room Bungalow! Your neighbours will move right into the middle of town because they can't stand you noisemaker who thinks that he has to start an Outskirts Of Town Rumble!! Yep, it's your fault!! They've to raise their children between busses and thousands of Chevys, Fords and Cadillacs because you've used the children's playground as a ballground!! The suburb idyll is gone and be sure you'll go to court because of thousands of complaints! And you'll get nervous. Man, nervous!! Cool R'n'B and Rock'n'Roll stuff from artists like Joe Houston, Sam Butera, Hal Smith, H-Bomb Ferguson, Frankie Ford and Hardrock Gunter!

• 202 tracks Hier ist die komplette Geschichte Conway Twitty's mit den Jahren, ehe er zu Country wechselte. Nachdem er 1956 bei Sun Records begann und 57 zu Mercury ging, schaffte er 58 bei MGM den Durchbruch mit It's Only Make Believe. Auf 8 CDs verteilt sind all diese klassischen Aufnahmen hier. Brauchen Sie die, wenn Sie bereits die LP Box haben Jawohl! Alles zusammen sind hier 40 Aufnahmen, die vorher nie erhältlich waren. Alle Rock 'n Roll Hits sind dabei wie It's Only Make Believe, Mona Lisa, Lonely Blue Boy, Hey Little Lucy ebenso wie das seltene, nur in England veröffentlichte Rosaleena. Neu in diesem Set ist eine doppelseitige Instrumental-Single Highland Rock/Midnight Creep von Conway und seiner Band, dazu alle ABC Aufnahmen - viele vorher unveröffentlicht, weiter dann 20 ebenfalls unveröffentlichte MGM Aufnahmen von Bändern, die unlängst gefunden wurden. Here's the complete story of Conway Twitty in the years before he switched to country. After starting at Sun Records in 1956 and going to Mercury in '57, Conway broke through on MGM in 1958 with It's Only Make Believe. All these classic recordings are complete here on 8 CDs. Do you need this if you already have our LP box Yes you do! Altogether there are more than 40 recordings that have never been available before. All the rock 'n' roll hits are here of course, like It's Only Make Believe, Mona Lisa, Lonely Blue Boy, and Hey Little Lucy, as well as the rare British only release of Rosaleena. New to this set is a double-sided instrumental single, Highland Rock/Midnight Creep featuring Conway and his band, plus all the ABC recordings—many previously unissued, and more than 20 previously unissued MGM tracks from recently discovered tapes.

• Dig your Daddy, boss Ohio deejay extraordinaire Peter Myers whose whammy banter combined 50's beatnik blab with MAD mag rat fink snearly raunch jabber all shot out of a cannon at brain splattering velocity! Rare radio shows have been scoped and zoomerated to present a maximum of chatter and a minimum of fuss, as Daddy would have said himself. Massive bio booklet tells the tale and includes memories ranging from one of Daddy's fave stars Andre Williams to peach fuzz upstart Bob Quine who got set on the path to destruction early on listening to Mad Dad's Buckeye broadcasts to Daddy's Brother tippin' his toupe to Mad Dad's massive memory among hipsters worldwide! Dig all the wavy gravy, greasy dedications, and jet speed saucer blasts 1958-64 including an ad for Batty Bucks (Mad Daddy shoes that were actually marketed in Northwest Ohio-they featured bat wing flaps!), Zoomeratin' Alphabet (JD beatnik on the rampagel), four button idiot and loads more noggin toppling rants, topped off with both sides of his sole 45 What Is A Pfisteris?/I Love A Practical Joke. (2003/NORTON) 50 bits if you've liked the CRUISIN' series and the WOLFMAN shows this one's for you too - no Music !

• After joining The Yardbirds in 1965, Jeff Beck carved out a huge reputation for his guitar pyrotechnics, notably his use of feedback and distortion. This is the first compilation of his 60s sessions, kicking off with a trio of rarities from Screaming Lord Sutch, The Fitz & Startz and The Nightshift. Both The Yardbirds and, of course, The Jeff Beck Group are well-represented, alongside later sessions Jeff either played or produced for John's Children, Paul Jones, The Smoke, Donovan, and perhaps the most infamous groupies of all time, Frank Zappa's outrageous GTOS.

• Former Animals' lead singer Eric Burdon has pursued an erratic, yet inspired solo career. 'He Used To Be An Animal' presents the best of Eric's 80's recordings, drawn from the soundtrack to his great lost 1981 movie Comeback; his critically-acclaimed 1985 set 'That's Live'; and sessions for his 1988 album 'I Used To Be An Animal.'

Defiantly soft, A Midsummer's Day Dream caught the tail end of LA's '60 pop perfectly, just as it slipped into infinity. Their brief but prolific output - three LPs and six singles of less than eighteen months - puts the current crop of slacker pop artists to shame. Hear for yourself why Elvis Presley, Quincy Jones, The Jackson Five, Cher, Bobby Sherman, The Monkees, The Union Gap and The Partridge Family all decided to call upon band leaders John and Tom Bahler to create the vocal backgrounds for some of their greatest work. The Love Generation went on to record some of the most ambitious soft pop soundscapes ever, crowned by their visionary 1968 hit rendition of Jimmy Webb's 'Montage From 'How Sweet It Is.' ' Rev-Ola is proud to present this overlooked material on CD. Includes rare photos and extensive liner notes by Steve Stanley.

• This is the original album digitally re-mastered and presented in both its UK and projected US (never came out) front cover artwork, in digipak format. As a bonus you get a second disc, a CD ROM containing a film documentary made about the group during 1967. From the time the group acquired two new members, began recording tracks for this album and the Here We Go Round The Mulberry Bush film soundtrack and were keeping up European tour dates. Thus you see/hear the group in the recording studio, on various concert stages, at press calls, in the PR office. All fascinating material and a unique opportunity for the collector to glimpse the day life of a top group in the '60s. The documentary lasts for approx. 40 mins. Made in English with some German language voice over. The ROM has been produced using Quicktime so as to be universally compatible. It was originally broadcast in Europe in 1967 but has not been since, nor has it ever been commercially available before. (2002/RPM) 10 tracks & movie

Presented here for the first time on CD is the entire recorded output of The Moon on Imperial Records - two brilliant albums

of lost Beatlesque pop-psych. Also included are three pre-Moon Matthew Moore tracks, plus never-before-seen photos and in-depth liner notes. When Without Earth and The Moon were released 1968 respectively, Imperial did everything they could to keep these vinyl treasures a secret between them and their distributor. Illustrated by many color photographs and containing 3 very well produced CDs. The only drawback is that the text is in French only. A little more consideration to the star's many fans outside of France would have done her more justice. Nach einem Vorwort von Serge Gainsbourg folgt eine kurze Biografie und eine Würdigung ihrer Arbeit in Vergangenheit und Gegenwart. CHAMBERS FAMILY**JOHN LOMAX III: RED DESERT**

x SKY 0003 056 € 22.50

• The Amazing Adventures Of The Chambers Family English, Paperback, 15x23 cm, 292 pages, b&w photos: Red Desert Sky is a tale of family survival, first against natural forces, later in the cut-throat world of show business. The Chambers family -

Bill, Diane, Nash and Kasey - have lived their own, uniquely Australian version of the Swiss Family Robinson. Here they share their

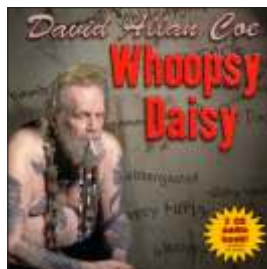

extraordinary experiences as they transformed themselves from nomads to one of Australia's most treasured musical exports. In 1976, hoping to earn a living hunting foxes, Bill and Dane Chambers took their two-year-old son Nash and newborn daughter Kasey into the Nullarbor. Here the four Chambers lived for much of the next ten years, amid snakes, dingos and

feral cats, camping in a different spot on the parched plain after each night's hunting. Gathering their supplies from the Indian Pacific Tea and Sugar Train, the family endured seven to eight months annually on the Nullarbor, relocating to a small fishing village during the hottest months. After returning to 'civilisation' permanently in 1986, Bill and Dane re-launched their musical careers, performing as a duo in pubs, with Kasey, then Nash joining to form a group soon dubbed Dead Ringer Band. By 1992, they had become musicians full-time, pulling a small trailer behind their four-wheel drive and playing nationally, to big city music lovers as well as rural and outback audiences. During the 1990s, Dead Ringer Band members released seven CDs and collectively earned two ARIAs, five MO Awards and seven Gold Guitars at Tamworth. In May 1999, lead singer Kasey Chambers stepped out as a solo artist, issuing 'The Captain,' now certified for double-platinum sales. In 2001 Kasey's second solo album, 'Barricades & Brickwalls,' was released. Red Desert Sky is a remarkable story about four courageous Australians whose give it a go' philosophy has brought them worldwide acclaim.

X HOPKINS

0016 292 € 24.90

• English, Fester Einband/Hardbound, 22x28.5 cm, 88 pages, complete illustrated (b&w and color); In 'Elvis in Hawai'i', former Hawai'i resident and celebrity biographer Jerry Hopkins tells the story of the King of Rock and Roll's twenty-year love affair with the Hawaiian Islands and its people. Over 100 photos, many previously unpublished, document Elvis's ties to Hawai'i, the site of two of his most important concerts, the setting for three of his films, and up to a few months before he died, a favorite vacation spot. A must for Elvis fans and anyone interested in 1950s, '60s and '70s Hawai'i, this revealing portrait offers new perspectives on the life and career of a legendary performer. Jerry Hopkins, a twenty-year veteran of Rolling Stone, authored two highly praised books about Elvis Presley: *Elvis: A Biography* (1972) and a sequel, *Elvis: The Final Years* (1980). Both were international bestsellers (now out of print). His research material is one of the most visited collections in the Mississippi Valley Collection at Memphis State University, in Tennessee.

**BOOKS/COUNTRY MUSIC****DON'T GET ABOVE YOUR RAISIN'****✕ BILL C. MALONE** 0031 194 € 39.90

• English, Clothbound/Gebunden mit Schutzumschlag, 16x24.5 cm; "Country Music and the Southern Working Class" Country musicians have often been people from undistinguished blue-collar backgrounds who have tried to make their way as entertainers in a society that has little respect for the working class. From this ambivalent position, they have voiced the sometimes contradictory values and longings of their culture while also attempting to fulfill the romantic expectations of outsiders. 'For every Garth Brooks,' Malone says, 'there are a thousand country musicians who perform in local bars, taverns, and American Legion halls and who have never been able to give up their day jobs.' These are musicians whose middleclass dreams are tempered by working-class realities. 'A powerful and honest expression of the hopes, longings, frailties, and failings of ordinary people, country music increasingly resonates with listeners beyond its core constituency as they struggle with a complex and uncertain world.'

• Deutsch/German, Gebunden mit Schutzumschlag, 15x21 cm, 306 Seiten, seltene s/w Fotos; Swing und Easy Listening gibt es nicht erst seit Robbie Williams: "erfunden" wurden sie vor knapp einem halben Jahrhundert von einem liebenswürdigen und hochtalentierten jungen Mann aus Hamburg, der die Gabe der Freundschaft ebenso besaß wie den untrüglichen Instinkt dafür, was die Menschen von Musik erwarten. Dies ist die Geschichte eines Mannes, der aus einfachen Verhältnissen aufstieg zum Weltstar. Marc Boettcher erzählt sie zum ersten Mal, er zeigt die glücklichen Zeiten und verschweigt nicht den Preis des Rums, die Intrigen, Kämpfe und Eifersüchteleien des Musikgeschäfts. Musiker und Agenten, Freunde und Weggefährten kommen zu Wort, Freddy Quinn, James Last, Hilde Knef, Paul McCartney und amerikanische Bandleader wie Herb Alpert und Ray Conniff, die versuchten, den gerühmten Kaempfert-Sound nachzuahmen; nicht zuletzt die Mitglieder der Familie Kaempfert, denen wir viele Details und Einsichten, die bisher unbekannt waren, verdanken, ebenso wie zahlreiche Fotos, die den Privatmann und Familienvater zeigen. Die CD enthält Interviews und Soundtracks, Live-Mitschnitte der Welthits, frühe Aufnahmen aus den 60er Jahren, die Beatles in Hamburg und vieles mehr.

TWIST & SHOUT

LEE COTTEN: AMERICAN ROCK & ROLL 1960-63 0041 813 € 89.90

• English, Hardback, 22x28.5 cm, 584 pages, few b&w photos; Lee Cotten's 'Twist & Shout': The Golden Age of American Rock n'Roll, Volume III, closes out a monumental Odyssey which began with his day-by-day coverage of American rock 'n roll during the years 1952- 1955 in Shake, Rattle & Roll, and traversed from 1956 to 1959 in his epic tone, Reelin' & Rockin'. Continuing this close-up look at rock 'n roll, beginning January 1960, Twist & Shout quickly immerses the reader in the daily comings and goings of an army of performers. The book also includes listings for singles each week; a monthly Top 50 chart for only rock 'n roll singles; a lengthy biography of an artist or group at the top of the charts that month for each of the 48 months covered; and more than 250 sidebar biographies of performers, which relate to an activity on that page. 'Twist & Shout' chronicles an exciting time in America, when music was being written in the Brill Building in New York City by teens, for teens. When young entrepreneurs like Phil Spector and Gary Paxton changed the way records were produced. When novelty records sometimes sold better than more stately efforts. When Roy and Dale and Gene didn't mean the stars of Saturday cowboy movies, but were understood by every teen to mean Roy Orbison, Dale & Grace, and Gene Pitney. As 'Twist & Shout' opens, the music of the 1960s is not markedly different from that of the late 1950s. However, major changes loom. The Twist is about to grab the nation's consciousness like no other dance step in many years. There are revolutions brewing in the R&B world that will erupt into soul music and the rise of the Motown conglomerate in Detroit and the Stax label in Memphis.

Girl groups will be all the rage for a while, and instrumental rock 'n roll bands also capture their share of the sales market. Surf music begins on the West Coast and spreads eastward. And, as American rockers take their music to England and Europe, english bands prepare for a full-scale musical assault on America.

In this gritty urban drama, war veteran Richard Daddier (Glenn Ford) wants to begin his career as a teacher and is given an assignment at a boys high school in inner-city New York. However, he soon discovers the school is overrun by delinquents, led by Artie West (Vic Morrow), an insolent hood who likes to call Richard 'Mr. Daddy-O.' Artie and his gang steal, destroy property, refuse to respect authority and threaten the female teachers with rape. While most of the faculty have

given up and meekly let the delinquents do what they want, Daddier is determined to bring order back to his classroom, even after Artie's thugs threaten Richard's pregnant wife. Keep your eyes peeled for a bit part by Jameel Farah, years before he would change his name to Jamie Farr. The blackboard Jungle was also the first major studio film to use rock 'n' roll on the soundtrack; the film's success kick started sales of 'Rock Around The Clock' by Bill Haley and His Comets, which helped to spark the rock 'n' roll boom of the 1950's.

His popularity and appeal spans all generations, won over by a musical style that is timeless in its appeal. Born Anthony Dominick Benedetto, the son of an Italian immigrant, in Queens, New York, in 1926, he became Tony Bennett in 1949 after comedian Bob Hope saw him singing in a club and suggested a change of name. Bennett never looked back... early hits like Boulevard of Broken Dreams, Just In Time and Strange In Paradise brought him recording success on both sides of the Atlantic. In 1962 he recorded I Left My Heart In San Francisco, the song that has become his signature tune. More than thirty million album sales later, Tony Bennett is still going strong. This unique video special features Tony in performance in Atlantic City and in an interview in and around New York in 1996. Archive footage and contributions from his many entertainment business friends bring further insights. It is a fascinating look at the eventful life and career of the man who Frank Sinatra named as his favourite singer and who is now considered 'The King Of Cool' by a new generation of admirers.

• PAL, English 5.1, 16:9, Color, 112 Min; TV Special über das SUN Label mit vielen Musik Einlagen - Klasse! Historians may agree about where and when rock 'n' roll was born. But all historians do agree that an entrepreneur in the world of music named Sam Phillips began a revolution and spawned a legacy when he created Sun Records - the place where Elvis Presley, Carl Perkins, Johnny Cash, Jerry Lee Lewis and so many others got their start. If the Story of Sun Records was merely the story of discovery and emergence of a single performer - Elvis - it would

be astonishing enough. But it is not. It defines some of the most appealing roots of American popular tastem and it all happened in Memphis. The work of many original Sun artists is reprised in this two-hour American Masters film by such performers as Paul McCartney, Jimmy Page, Robert Plant and LIVE, several accompanied by Elvis' original sidemen, Scotty Moore and D.J. Fontana. It also includes rare footage of rock's founding fathers and chronicles their impact on modern artists. This 100% proof, fully charged dive, into the true passion of rock 'n' roll offers us rare moments of pure pleasure.

Vinyl!

Das kleine aber absolut feine Label Rollercoaster sollte allen Rockabilly Cats durch die hervorragenden CD- und Single Veröffentlichungen der letzten Jahre bestens bekannt sein. Wir beginnen mit der ersten Veröffentlichung des englischen Labels von 1978, die glücklicherweise immer noch erhältlich ist.

VARIOUS ARTISTS

**Rockaphilly - Philadelphia Rock'n'Roll
ROLL 2001 EURO 12.90**

Dieser Sampler ist vollgestopft mit Rockabilly Tracks der damals in Philadelphia beheimateten kleinen Label Arcade, Arzee und Shyrocket. Diese Label verfügten über einen beträchtlichen Haufen hervorragender Rocker, was dieser Sampler eindeutig beweist. Hier wird gerockt, und zwar vom ersten Stück an, die Zusammenstellung verliert nie an Spannung und es gibt jede Menge zu entdecken - wie zum Beispiel die Kingsmen, die jedem unter dem Namen Comets bekannt sein dürften, denn Jack Howard vom Arcade Label arbeitete an der jungen Karriere von Bill Haley als Verleger und Promotionman kräftig mit und da die Comets oft an Aufnahmesessions für Arcade beteiligt waren, ist es auch kein Wunder, dass über Teilen dieser Zusammenstellung der Geist des Haley Sounds zu schweben scheint.

**The Return Of Rockaphilly -
More Philadelphia Rock'n'Roll
ROLL 2004 EURO 12.90**

1980 wurden die Archive des Arcade Labels dann nochmals geöffnet und aus dem Fundus, den Jack Howard Anfang der frühen 50s aufgrund eines lokalen Verlangens nach Hillbilly, Novelty und Rock'n'Roll Material gefüllt hat, bedient sich nochmals das Label Rollercoaster. Vollkommen zu Recht, denn es werden wieder wahre Perlen aus der Dunkelheit ans Licht gefördert. The Return of Rockaphilly überzeugt wieder auf der ganzen Linie. Es macht einfach einen unglaublichen Spaß, sich durch diese grandiose Ansammlung von 20 Tracks zu hören. Das Ganze ist eine perfekte Soundzeitreise an die Ostküste, mitten rein in die regionale Musikszene der 50s in Philadelphia, die für viele bestimmt Neuland sein dürfte, aber das muss ja dank Rollercoaster nicht so bleiben.

Die gesamte Interpreten- und Titel- auflistung findet ihr wie immer in der entsprechenden Rubrik im Katalog.

**Bill Haley
Hillbilly Haley
ROLL 2007 EURO 12.90**

Wir werden in eine Zeit entführt, in der der erste Star des Rock'n'Roll noch seiner ersten musikalischen Liebe, der Country Music, seinen Tribut zollte. Hillbilly Haley ist eine Werkschau seiner ganz frühen Arbeiten und eine Reminiszenz Haleys an seine persönlichen Favoriten wie Hank Williams, Jimmy Rodgers, den Sons Of The Pioneers und dem Western Swing eines Spade Cooley. Es wird deutlich, wie wichtig diese Urgesteine der Hillbilly- , Western- und Oldtime- musik für die Entwicklung Bill Haleys und den Rock'n'Roll waren. Es ist eine wahre Freude, dieses Album von 1984 mit 21 Hillbilly Aufnahmen (einige davon zuvor unveröffentlicht) aus den Jahren 1948-51 mit den Four Aces Of Western Swing, den Saddlemen und von 1959-60 mit den Comets zu hören. Es wird ein verständliches Bild von

dem Countrymusiker Bill Haley gezeichnet, und jeder, der nur seine Rock'n'Roll Aufnahmen kennt, wird von seinem Talent in diesem Genre überrascht sein. Der Sammler wird an dieser Schatztruhe nicht vorbeikommen, denn es handelt sich um wirklich äußerst rare Aufnahmen.

Gene Vincent & His Blue Caps

**Hey Mama
ROLL 2021 EURO 12.90**

Auf dieser äußerst geschmackvoll gestalteten 10inch finden wir eine Auswahl von insgesamt 11 Rohdiamanten aus den letzten Tagen von Gene Vincent und seinen original Blue Caps. Es handelt sich um Demos und Live-aufnahmen der Jahre 1957 und 1958, aufgenommen in Dallas. Gene war mit Sicherheit eine der schillerndsten, einflussreichsten und bedeutendsten Persönlichkeiten des Rock'n'Roll, was eine bis heute immer noch ständig wachsende Fangemeinde beweist. Die erste Seite dieser 10inch hat einen sehr intimen Charakter, da es sich zum Teil um langsamere Songs wie zum Beispiel Lonesome Boy und In My Dreams handelt. Sämtliche Titel wurden erst 1998 entdeckt, genauso wie Hey Mama, dem ersten Song der zweiten Seite. Was dann folgt, ist ein echter Leckerbissen: Blue Jean Bop eröffnet den Reigen von 4 rockenden Songs, mitgeschnitten live on Stage at "The Big D Jamboree" in Dallas - was nicht nur die Fans dieses wirklich außergewöhnlichen Boppers in die gleichen Begeisterungsstürme versetzen wird wie das damalige fast außer Kontrolle geratene, kreischende Publikum im Big D. Let's Bop and - never Stop.

Vinyl!

The small but pretty busy Rollercoaster Records label isn't only known to the Rock'n'Roll and Rockabilly Cats because of their fabulous CDs, they also released a bunch of real good stuff on vinyl and we start with their first production from 1978 which for heavens sake is still available.

VARIOUS ARTISTS

**Rockaphilly - Philadelphia Rock'n'Roll
ROLL 2001 EUR 12.90**

This compilation is fully packed with Rockabilly and Rock'n'Roll tracks which were recorded for the small Philadelphia labels Arcade, Arzee and Skyrocket and these companies had a tremendous output of Rockers. Artists like the Kingsmen (better known under the name of Bill Haley's Comets) recorded at Arcade because Jack Howard the labelmanager took a big part at the raising of Haley's career as a publisher and promoter. These two facts are the reasons why a big part of the Arcade output was pretty much Haleysound influenced.

VARIOUS ARTISTS

**The Return Of Rockaphilly -
More Philadelphia Rock'n'Roll
ROLL 2004 EUR 12.90**

In 1980 the Rollercoaster company opened the archives of the Arcade labels again to get more 50s Hillbilly, Novelty and Rock'n'Roll material for a second Philadelphia Rock'n'Roll compilation. The Return Of Rockabilly rocks from the beginning to the end and the 20 tracks give you a great impression of the Philadelphia music scene of the 1950s.

**Bill Haley
Hillbilly Haley
ROLL 2007 EURO 12.90**

This release contains the Country recordings of this number one Rock'n'Roll Star. Hillbilly Haley includes his early recordings and is a reminiscence to his first love - the Country Music and his personal favourites like Hank Williams, Jimmie Rodgers, The Sons Of The Pioneers and the Western Swing artist Spade Cooley. The compilation shows how important these artists were for Haley's own musical development and finally the development of Rock'n'Roll. Hillbilly Haley from 1984 includes 21 rare Hillbilly recordings (some previously unreleased material) from the years 1948-51 with the Four Aces Of Western Swing, the Saddlemen and from 1959-60 with the Comets. For all of you who are only familiar with Haley's Rock'n'Roll recordings this compilation will be a positive surprise!

Gene Vincent & his Blue Caps

**Hey Mama
ROLL 2021 EURO 12.90**

This brilliant 10" release is a selection of 11 tracks from the last days of Gene Vincent with the Original Blue Caps. The album contains Demos and Live tracks from 1957-58, all recorded in Dallas, Texas. Gene was one of the most important artists of the Rock'n'Roll Era still getting more and more fans, even though he is already gone from us. Side A of this record contains more slow songs like Lonesome Boy and In My Dreams. Side B includes more rockin' stuff like Hey Mama and Blue Jean Bop which is a Live-cut from "The Big D Jamboree" in Dallas showing the wild and out of control going audience. So, let's bop and never stop!
