• It's been three years since Billy Ray Cyrus released studio album, and the country star surprises fans by breaking his recording fast with an inspirational album. As the recent chart-toppingsuccess of Randy Travis's gospel turn proves, there's certainly a market for country music with a spiritual message. Cyrus's *The Other Side* offers songs with positive, even meaty, lyrics that nevertheless steer clear of being overly religious. Nach drei Jahren das erste Studioalbum - mit Gospelleinflüssen! Wie Randy Travis schon bewies, gibt es einen Markt für Countrymusik mit spirituellen Elementen. Keine betroffene religiöse Überproduktion, sondern einfach ein schönes Countryalbum der anderen Art!

than a dolphin can be taught to walk on

dry land. Stumble into Grace finds Harris following in the same creative path she began to pursue with Wrecking Ball and Red Dirt Girl, which isn't to say that the influence of her country-influenced material is more felt than heard as she dips her toes into the spectral and atmospheric accents of folk, indie pop, and world music. / Eine gelungene, wenn auch ungewöhnliche Mischung aus Country, Folk, Indie Pop und World Music. **PEE WEE KING**

COUNTRY HOEDOWN 2-CD CD BS 804 € 21.90

• Fantastic 50s transcriptions - superb sound And it's a barn burner, folks!!! 'Pee Wee King's Country Hoedown' includes all 51 of the tunes Pee Wee, Redd Stewart, and their gang cut for the Standard Transcription Service in 1952. Including an unissued version of the 1951 Number 1 country/pop crossover hit 'Slowpoke', plus dozens of other country, western, and pop numbers that'll have you scratching your head wondering why this remarkable performer's work has been long out of print. In addition to penning 'Tennessee Waltz' and over 400 other tunes, King enjoyed a long and varied career as an instrumentalist, bandleader, actor, and businessman. Read all about it in the extensive liner notes by Bill Malone, author of Country Music U.S.A. and dean of country historians. Along with exclusive camp-classic artwork from Pee Wee's self-produced film of the same name, 'Country Hoedown' finally gives this unsung country legend his due.

• For On Your Way Home, Patty Loveless stays close to the acoustic arrangements that made her previous album, 2001's Mountain Soul, so

2001's Mountain Soul, so

compelling. But with the help of husband/producer Emory Gordy, she saddled some rhythmic drive and pungent electric guitar by way of rockabilly and traditional rock 'n' roll. Loveless rides the rockin' rhythm track with a frenetic reading that captures the intensity of these sensual pleasures the lyrics speak of. But nothing tops the emotional depth she brings to "The Grandpa That I Know," a bittersweet reflection on the abyss left by a grandfather's passing. / For On Your Way Home, ebenfalls ein Akkustikalbum, wie das 2001er Mountain Soul Album, aber mit kerniger Rockabilly und Rock'n'Roll E-Gitarre, gespielt von ihrem Ehemann und Produzenten Emory Gordy, Loveless bewegt sich souverän durch die Lieder und ein besonderer Anspielpunkt ist The Grandpa That I Know!

• Der Titel sagt alles, hier kommt eine 100% amerikanische Country Platte auf dem Partnerlabel von VooDoo Rhythm Rec. Gut abgehangene Songs und sehnsüchtige Balladen von einer tollen Sängerin die auf diesem Album einen gelungenen Abstecher von ihrem sonst üblichen Stylish Neo-Lounge Sound macht. Diese Platte könnte den Durchbruch für Eleni bedeuten, eine der am meisten unterschätzten Musikerinnen im Business, 100% American Country Music on the subsidiary of VooDoo Rhythm Records. Great songs including sensitive ballads far away from the usual stylish Neo-Lounge Sounds! This album could be her breakthrough! One of the most underestimated female artists in the music business!

The album's celebratory tone is aptly expressed in the infectious "This One's for the Girls," an homage to self-reliance and fearlessness in love that's driven by pounding drums and waves of heavy rock guitar. / Das erste Studioalbum seit vier Jahren! CLAY WALKER

X A FEW QUESTIONS

CD RCA 67068 € 19.90

A Few Questions- Everybody Needs Love- Sweet Sun Angel- Jesus Was A Country Boy- I Can't Sleep- Coming Back Again- Heaven Leave The Light On- I'm In The Mood For You- When She's Good She's Good- This Is What Matters- Countrified- I Don't Want To Know- I Can't Forget Her

• Walker's condition shadows the best songs on *A Few Questions*, but not in a morose way; rather, these tunes reflect his unbending will to live and to love to the fullest for all of his days. That generous spirit informs most of the songs here, which celebrate love in many forms: love for the particular culture in aperticular place. / Trotz seiner Krankheit ein ungemein positiv zum Leben eingestelltes Album, welches das Miteinander und die Liebe der Menschen untereinander behandelt. KEIN kitschiger Weltverbesserungsmüll, sondern ein zum Nachdenken anregendes, ernstzunehmendes Album.

• For almost three decades since his death, Gram Parsons has become Mr. Mystique. Little or no recorded conversations have been available with the man himself. Now for the first time, hear his story in his own words. Parsons speaks about his musical influences, his information of the eclectic International Submarine Band, his part in creating and encouraging the Byrds' "Sweetheart Of The Rodeo" album, his hopes and disappoints with the iconoclast Flying Burrito Brothers, his pains for a solo career, and his enduring musical vision. This 1972 taped interview with the late Chuck Casell on this 70+ minute, color picture disc CD is packaged with rare color photos. Please note that this compact disc contains NO music.

HÖRBUCH PLUS 4-CD SET CD 2233170 € 23.50

• Dominic Raacke liest die Biographie von Colin Escott plus Musik CD, Photoalbum und Bildschirmschoner; Hank Williams Sr. schuf in seinem nur kurz dauerndem Leben eines der beeindruckendsten Gesamtwerke der amerikanischen Musikgeschichte. Beeinflusst von Gospel und schwarzem Blues sowie den frühen Cowboys wie Gene Autry, schlug er die Brücke vom damals verpönten Hillbilly, überwand dabei alle musikalischen Grenzen bis zu Pop und "erfand" dabei Country, Rock 'N' Roll und Rockabilly. Tatsächlich hat Hank Williams Sr. den Pfad vorgetrampelt, den Elvis erst noch gehen sollte. Williams lebte den so genannten Rock 'N' Roll-Spirit vor: Alkohol, Drogen, exzessives Leben, Groupies und hysterisches Fantum. Er füllte die grössten Hallen und verkaufte millionenfach Platten von "Lovesick Blues", "Jambalaya", "I Saw The Light", "Move It On Over", "Cold Cold Heart", "I'm So Lonesome I Could Cry" und "Hey Good Lookin'". Erst 29-jährig starb er am 1.1.1953 auf dem Rücksitz seines Cadillacs auf dem Weg zu einem Auftritt nach einem intensiv-schnelles Leben voll von Alkohol, Drogen, endlosen Tourneen, Eheproblemen und unglaublichen Rückenbeschwerden aufgrund eines offenen Rückenmarks. Hank Williams Sr. galt nicht nur Bob Dylan oder Bruce Springsteen als Vorbild. Viele Künstler haben seine Songs im Live-Repertoire (Beck, 16 Horsepower, Nick Cave, Emmylou Harris, Kris Kristofferson) oder auf Platten aufgenommen. So z.B. Senkrechtstarter Ryan Adams, Sheryl Crow oder auch Johnny Cash im Duett mit Nick Cave auf

• An entry for the 2003 Christmas season was a natural move for Kenny Chesney after the blockbuster No Shirt, No Shoes, No Problems made 2002 his banner year. But in typical Chesney fashion, his holiday album tries to be a little more easygoing than the usual Music City rehash of tried 'n' true yuletide chestnuts. All I Want For Christmas Is A Real Good Tan; the album's own title track is a nice, swaying number that approximates the Cascades' 'Rhythm of the Rain' into its breezy Buffett feel. / Super Weihnachts-Scheibe nach seinem erfolgreichen Album No Shirt, No Shoes, No Problems aus dem Jahr 2002. Die CD ist im typischen Chesneystil und etwas lockerer, als die ganzen anderen konservativen Nashville Weihnachtsprojekte!

 • Carter and Ralph Stanley waren Bill Monroe's erste Rivalen in den 40ern. In den 50ern war ihre Spielart des Bluegrass zu rasiermesserscharfer Perfektion gereift, ihre 46 Aufnahmen für das Mercury Label gehören zu den Bestmarken klassischen Bluegrass (selbst Ralph Stanley betrachtet sie als ihre beste Arbeit). Durch die Arbeit mit einigen der besten Musikern, darunter Fiddler Art Stamper und Mandolinist Bill Napier, klang die Gesangskunst der Stanley Brothers nie besser (ebenso wie Ralph Stanley's knallhartes Banjospiel). Die Sammlung aller Stanley Mercury Aufnahmen bietet ein zuvor unveröffentlichtes Kleinod, A Lonesome Night ebenso wie andere (darunter Close By) bis dahin nur auf japanischen Wiederveröffentlichungen aus den 70ern erhältliche. Gary Reid's fachkundige Anmerkungen rahmen das von der Musik gemalte Bild ein, zwei Aufnahmen von 1959 für das Blue Ridge Label runden den bemerkenswerten Set ab. Carter and Ralph Stanley were Bill Monroe's first rivals in the 1940s. By the 1950s, their version of bluegrass was honed to razor-sharp perfection, and their 46 recordings for the Mercury label are among the high watermarks of classic bluegrass (even Ralph Stanley considers them their best work). Working with a variety of fine supporting players, among them fiddler Art Stamper and mandolinist Bill Napier, the Stanley Brothers vocal artistry (as well as Ralph's hard-hitting banjo picking) never sounded better. This collection of the complete Stanley Mercury recordings offers a previously unissued gem, A Lonesome Night, as well as others (among them Close By) previously available only on Japanese reissues of the 1970s. Gary Reid's authoritative notes frame the picture painted by the music, and two 1959 recordings for the Blue Ridge label round off a remarkable set.

• The Song 'Beat Avenue' is a 26-minute story about a 24-hour day in November 1964, when Eric Andersen was a 20-year-old singer-songwriter living in San Francisco. One evening, after a poetry reading in Haight-Ashbury, Eric attended a gathering in the San Francisco hills along with Beat poets Allen Ginsberg, Lawrence Ferlinghetti, Neal Cassady, Michael McClure, and David Meltzer. It was November 22, 1963, the day President John F. Kennedy was assassinated.

• (2003/APPLESEED) 28 tracks This two-CD set couples a newly remastered version of the first, self-titled Danko/Fjeld/Andersen disc originally recorded in 1991 and released in the US in 1993, and a previously unreleased 72-minute concert by this talented trio recorded through a mono microphone onto a DAT recorder at the 1991 Molde International Jazz Festival in Norway. When Rick Danko, Jonas Fjeld and Eric Andersen first started playing and recording together in 1990, the results were described as 'soul music of deep and lasting appeal' by Rolling Stones magazine. Each of these great international musicians and vocalists is a recognized virtuoso. The late Rick Danko, the heartbeat of The Band and a member of the Rock & Roll Hall of

Fame, brought a devastatingly expressive voice and distinctive bass-playing skills from rural Canada, Jonas Fjeld, already a household name in Scandinavia as a bandleader and solo artist, has established a global audience, and the legendary Eric Andersen forged the prototype of America's modern singer-songwriter tradition during the mid-Sixties and hasn't ceased his musical evolution. Three hearts, three souls, more talent than you can imagine - until you hear these definitive studio and live recordings.

**The Chrome Daddies
Whose Your Daddies?
CD RBR 5600 EUR 15.50**

Wow! Another shot from the Rhythm Bomb Label which bombs you straight into the outbacks of Kangaroo Country! Believe it or not! These four guys made it up to the European independent Charts and they hit position 11!! On the Koala side of this world they shake every dancefloor up and their music turns every Flying Doctor Medical Health Care Center into a trendy Rock'n'Roll joint!! As long as they don't change their Save Lives Planes to Partyjets everything should be alright!! 15 Country Hut shakin' pearls including four Livetracks recorded in Adelaide in 2001! Some of my favourites are *I'd Like To Get To Know Your Name*, *Virginia Belle*, *I'm Not Happy* and *Little Joe From Chicago*!! This BUST is a MUST!!

Jetzt gibt's wieder Sperrfeuer vom Rhythm Bomb Label! Diesmal mit australischer Unterstützung! Diese vier Jungs bringen in ihren heimatischen Gefilden jeden Känguruh Hop zum Brodeln und die Flying Doctor Hospitals mausern sich zu den angesagtesten Treffpunkten der local Outback-Szene! Tja, auch auf der Koalaseite unserer schönen Welt boxt der Papst im Kettenhemd, und solange die Jungs da ihre zweimotorigen Save Lives Jets nicht in Partybomber verwandeln, ist die Entwicklung ja nur zu begrüßen! 15 Titel – davon vier Livemitschnitte – und ALLES Perlen!! Als Anspieltips seien hier *I'd Like To Get To Know Your Name*, *Virginia Belle*, *I'm Not Happy* und *Little Joe From Chicago* angeführt! Also, das Teil SOFORT einfliegen lassen!!!

**Ronnie Dawson
More Bad Habits
CD YEP 2012 EUR 17.90**

One of the nicest and kindest persons in the Rockabilly business passed away a few weeks ago!! Rockin' Ronnie died after long illness, but this cat always had the talent and the power to do brilliant and rockin' liveshows!! This little man was like an atombomb on stage and every crowd got wild and crazy while he was doing his explosive shows! This *More Bad Habits* thang was recorded in Austin, TX and rocks from the beginning to the end!

I think the whole Rock'n'Roll and Rockabilly Appreciation Society will miss him but the music from his 1950s track *Rockin' Bones* until today will keep him alive in our hearts and ears forever!!

In diesen Wochen ist Ronnie Dawson nach langer Krankheit von uns gegangen. Das kleine Männchen, welches bis vor kurzem noch immer die Energie und Kraft hatte bei seinen Shows wie eine Atombombe einzuschlagen und das Publikum um Sinn und Verstand zu bringen, wird uns sicherlich fehlen! Die *More Bad Habits* Scheibe wurde in Austin, TX aufgenommen und zeigt wie viele andere seiner Veröffentlichungen, das seine Mucke jeden CD-Player zum Grillen bringt! Seine Musik, angefangen mit *Rockin' Bones* aus den 50er Jahren bis heute, wird uns immer und ewig in positiver Erinnerung bleiben!!

**Various Artist:
Them Rockabilly Cats
CD CHD 815 EUR 17.90**

Well, with this unbelievable Rockabilly collection it should be no problem for you to turn your holy christmas nights into a real party which makes the cow and the donkey under your tinsel christmas tree jump and bump between your yule club christmas presents. We don't want that you have any escalations during the holy night but you better buy one copy for every family member because your grandfather might go to the divorce court because your grandma owns this fine thing and the present for him is only a pair of speedos! Are you on crack? 26 tracks like Jimmy Carroll's *Big Green Car*, Ronnie Self's *Bop-A-Lena*, Richard Turley's *Makin' Love With My Baby* and Don Terry's *Knees Shakin'* will blow away your top and will definitely help you to keep the family freedom alive – as long as everybody gets HIS OWN copy!!!

Mit dieser unglaublichen Zusammenstellung wird Eure Weihnachtsveranstaltung zu allem, aber garantiert nicht zu einer besinnlichen Nacht! Wenn es nicht zur Familientragödie unter Deinem Lamettabaum kommen soll, tust Du gut daran JEDEM

Deiner Familienmitglieder diesen Silberling zu schenken, da es sonst passieren könnte, das Dein Opa auf seine alten Tage noch zum Scheidungsgericht geht und sich von Oma scheiden lässt, da sie die Scheibe hat und er sich mit einem Paar Wollunterhosen begnügen muss! Willst Du das? 26 Titel wie Jimmy Carroll's *Big Green Car*, Ronnie Self's *Bop-A-Lena*, Richard Turley's *Makin' Love With My Baby* und Don Terry's *Knees Shakin'* werden Dir helfen, den Familiensegen zu erhalten, Bruder – solange JEDER SEIN Exemplar bekommt!

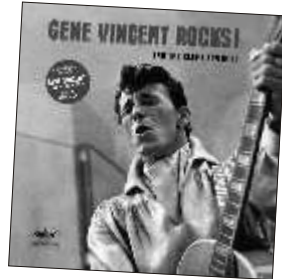

**Various Artists:
Long Gone Daddies
CD CHD 768 EUR 17.90**

These 32 hot Rock'n'Roll and Rockabilly tracks from Modern Records will help you to save on your heating costs during the forthcoming Eskimo period! On this compilation we find rare tracks like Clarence Garlows' *Route 90*, Danny Flores' *You Are My Sunshine* which, in contrary to Jimmie Davis' original, is a Speed Metal version, Danny Boy's *Don't Go Pretty Baby* and a lot more!! So tell your good lookin' that you'll get a cookin' and be sure she will cook something up with you!! This thing is hot, damn hot!!

Diese 32 heißen Rock'n'Roll und Rockabilly-Perlen vom Modern Label werden Dir ab sofort helfen, Deine Heizkosten einzusparen und den kommenden Eskimotagen die kalte Schulter zu zeigen! Deinen Herd kannst Du auch gleich der Heilsarmee vermachen, denn von nun an ist auch Steakbraten auf dem CD-Player angesagt. Medium, Welldone in Sekunden, Bruder! Auf dieser Zusammenstellung

gib's die volle Ladung und das ganze fett gewürzt!! Clarence Garlows' *Route 90* und dann Danny Flores' *You Are My Sunshine* - Speed Metal Version, welche Jimmie Davis vor Neid in seine Countryfiedel beißen lassen würde und er sofort sein Mandat als Gouverneur von Louisiana abgeben hätte, wenn ihm diese Version bekannt gewesen wäre! Denn es heißt ja auch *Rock'n'Roll For President* und nicht *Rock'n'Roll for Governor* – und hier wird geklotzt und nicht gekleckert!!! Dazu noch 30 weitere rockige Wechselbäder, die jede Kneipp Kur hinaufällig machen!!! Ein Muss für JEDEN Geizknüppel, Wehleidigen und natürlich auch für die, die einfach nur gute Musik haben wollen!

**Gene Vincent & The Blue Caps
Bluejean Bop! (T 764), Gene Vincent Rocks
And The Blue Caps (T 811),
Gene Vincent Rock & The Blue Caps Roll (T
970), A Gene Vincent Record Date (T 1059)
Each EUR 14.90**

These are the four original LPs, ALL new remastered and with a quality which is nearly unbelievable! It's time to sell your EMI CDs on the flea market or give it to your neighbours for their next garage sale! If you own these albums you have everything important from this Rockin' Cat!! Throw these vinyls on your turntable, turn the volumes on and let your two noisemaker friends do the rest, while your Pretty, Pretty Baby is doing the Bluejean Bop with her Cat Man and Jumps, Giggles And Shouts to the Brand New Beats!!

Hier sind die vier Original LPs, ALLE neu gemastert und mit einer Qualität, die Dich die herkömmlichen Best Of .. Bad Quality Veröffentlichungen in die Tonne keilen lassen!! Wenn Du diese vier Dinger besitzt, bist Du der King vom Ring. Schmeiss die Scheiben auf den Plattenteller, Verstärker voll aufgedreht (natürlich!) und Deine beiden Stereofreunde werden den Rest besorgen, während Dein Pretty, Pretty Baby mit ihrem Cat Man (ja, Dir!) einen Blue Jean Bop zu den Brand New Beats von einem DER Rocker hinlegt!!

That's all folks, except one thing!! Keep an eye on all CDs in the Rock'n'Roll, Surf and Vocal Group sections which start with CD DEL!! These are the last copies available forever, because this label went out of business!!

So das war's dann, bis auf eine Sache! Haltet ein Auge auf alle CDs in der Rock'n'Roll. Surf und Vocal Group Sektion, die mit CD DEL.... beginnen! Das sind die letzten Exemplare, welche es noch gibt, denn das Label existiert bereits nicht mehr!! Also letzte Chance!!

• Einer der verrücktesten Vögel der 50er Jahre aus der Rock'n'Roll- und Rockabillyszene hat unsere Welt verlassen. Abgesehen davon, das er uns bis zu seinem Tod mit seiner Musik erfreute, war er auch ein interessanter Mensch, der auf ein turbulentes Leben zurückblicken konnte in welchem er neben seiner musikalischen Laufbahn auch unzählige Partnerschaften mit dem weiblichen Geschlecht durchlief. Seine Platten, welche er u.a. für MGM, Lin, Kapp und Holiday Inn aufnahm, sind fast unbezahlbar. Diese CD ist eine gute Alternative mit allen Rock 'n' Roll Nummern der 50er Jahre, unzähligen Fotos und einer wirklich abgefahrener Lebensgeschichte! Wir werden ihn vermissen, aber durch seine Musik wird er uns immer in Erinnerung bleiben! / A few days ago Rockabilly and Rock'n'Roll artist Andy Starr has left our world forever. Beside is rare and hard-to-find original 45rpm records which he recorded for MGM, Lin, Kapp and Holiday Inn, he had a turbulent life including thousands of gigs and countless affairs with women! Our CD includes all his recordings from the 1950s, many photos and an unbelievable but true story! We will miss him but his music will keep'em alive in our hearts and our ears!

• Music has always been part of America's hot rod subculture. You can trace hot rod music back to early '50s R&B: In 1951, Jackie Brenston's 'Rocket 88' set the scene. Raunchy saxophones and loud, distorted guitar riffs perfectly described joy-riding in a cool car with your fellow juvenile delinquents. In the early '60s The Beach Boys' hot -wired 'Little Deuce Coupe' as the anthem for kids who traded their woodys for modified

Als Zugabe sind fünf unveröffentlichte Mickey & Sylvia Aufnahmen dabei, die nicht in unserem klassischen Mickey & Sylvia Double enthalten waren. Mickey Baker is the greatest R&B session guitarist of all time (as well as half of Mickey & Sylvia). He has made plenty of solo records through the years and this set collates his recordings for Savoy (1952), Groove (1954), Rainbow (1955), MGM (1956) and Vik (1957). Titles include Guitar Mambo, Stranger Blues, Down To The Bottom, Shake Walkin', Greasy Spoon and the rock guitar classic Spinnin' Rock Boogie. As a bonus, there are five previously unissued Mickey & Sylvia sides that weren't included on our classic Mickey & Sylvia double.

This all-instrumental solo record has never before been issued on CD.

Mickey Baker war der Meister an der Gitarre und Sylvia war damals die sexyste Sängerin im R&B. Dieser Set enthält all ihre Rainbow, Groove, Vik, and RCA Aufnahmen von 1955 bis 1965. Testen Sie Rise Sally Rise, No Good Lover, Shake It Up, I'm Glad For Your Sake, It's Gonna Work Out Fine. Their interplay on record was sometimes playful, sometimes barbed, and beneath it all was some of the finest musicianship ever heard on R&B records. This set includes all their Rainbow, Groove, Vik, and RCA recordings from 1955 to 1965. Check out Rise Sally Rise, No Good Lover, Shake It Up, I'm Glad For Your Sake, and It's Gonna Work Out Fine.*

• (2003/ACROBAT) 25 tracks Acrobat has now released several packages in The Road To Doo Wop series and here is our first compilation to actually arrive in the Doo Wop era. Featured are 25 titles from the early 50s to the early 60s recorded for several independent labels mostly based on America's East Coast. Rare sounds and hits rub shoulders with legendary acts like The Harptones and The Willows. Amongst the obscurities the first CD release for The Impressions' Swirl 45. This group does not feature Curtis Mayfield and the extensive liner notes explain its origins.

BIG MOUTH BLUES - A CONVERSATION WITH...

CD SX 6024 € 14.90

*For almost three decades since his death, Gram Parsons has become Mr. Mystique. Little or no recorded conversations have been available with the man himself. Now for the first time, hear his story in his own words. Parsons speaks about his musical influences, his information of the eclectic International Submarine Band, his part in creating and encouraging the

Byrds' "Sweetheart Of The Rodeo" album, his hopes and disappoints with the iconoclast Flying Burrito Brothers, his pangs for a solo career, and his enduring musical vision. This 1972 taped interview with the late Chuck Casell on this 70+ minute, color picture disc CD is packaged with rare color photos. Please note that this compact disc contains NO music.

Illustrated by many color photographs and containing 3 very well produced CDs. The only drawback is that the text is in French only. A little more consideration to the star's many fans outside of France would have done her more justice. Nach einem Vorwort von Serge Gainsbourg folgt eine kurze Biografie und eine Würdigung ihrer Arbeit in Vergangenheit und Gegenwart. • The timely reissue of these, Stan Tracey's first two albums as a
leader in his own right, restores to splendour two key pieces of
the jigsaw puzzle that is the patchily documented British Modern
Jazz scene of the 1950s. It also serves as a reminder of the long
road which Stan Tracey has travelled in order to reach his
current position of venerated elder statesman of the music. The
original Vogue LPs, Showcase and Little Klunk, have achieved
legendary, even mythic, status, Little Klunk especially. 16 page
booklet, reproducing original liner notes, plus an overview
written by Simon Spillett.

* Eine wundervolle Weihnachtsgeschichte, gelesen von OTTO SANDER - eine Neuaufnahme des bluesigen Weihnachtsongs "Merry Christmas, Baby" und dem vollständigen Bilderbuch als 36-seitiges Booklet, illustriert von OLE KONNECKE. Stellen sie sich vor, der Weihnachtsmann steht Heiligabend vor ihrer Tür und sie erkennen ihn nicht. Genau das passiert Elvis - nein, nicht DER Elvis, aber auch einer mit einer grossen Leidenschaft für Rock 'N' Roll, genauer gesagt für Chuck Berry. Der komischer Typ mit dem roten Mantel und dem weissen

Rauschebart rumst mit seinem voll beladenen Rentierschlitten gegen einen Strommast und Elvis, der Automechaniker, hilft ihm aus der Patsche - ohne zu kapieren, wen er vor sich hat und trotz einiger weiterer unerwarteter Pannen. Mit wenigen Strichen und viel Humor hat OLE KONNECKE die Bilder zu seiner kleinen, lakonischen Weihnachtsgeschichte hingepinselt, die der CD komplett als Booklet beiliegt. Und niemand anders als OTTO SANDER erzählt mit liebenswertem Charme von dieser Begegnung mit vielen Missverständnissen. Ein raffiniertes Zusammenspiel von Text, Bild und Ton, kurz: Das ideale Weihnachtsgeschenk für Gross und Klein und einfach für alle, die das Weihnachtsfest nicht ganz so bierernst nehmen.

HANK WILLIAMS

HÖRBUCH PLUS 4-CD SET CD 2233170 € 23.50

* Dominic Raacke liest die Biographie von Colin Escott plus Musik CD, Photoalbum und Bildschirmschoner; Hank Williams Sr. schuf in seinem nur kurz dauerndem Leben eines der beeindruckendsten Gesamtwerke der amerikanischen Musikgeschichte. Beeinflusst von Gospel und schwarzem Blues sowie den frühen Cowboys wie Gene Autry, schlug er die Brücke vom damals verpönten Hillbilly, überwand dabei alle musikalischen Grenzen bis zu Pop und "erfand" dabei Country, Rock 'N' Roll und Rockabilly. Tatsächlich hat Hank Williams Sr. den Pfad vorgetragen, den Elvis erst nach gehen sollte. Williams lebte den so genannten Rock 'N' Roll-Spirit vor: Alkohol, Drogen, exzessives Leben, Groupies und hysterisches Fantum. Er füllte die grössten Hallen und verkaufte millionenfach Platten von "Lovesick Blues", "Jambalaya", "I Saw The Light", "Move It On Over", "Cold Cold Heart", "I'm So Lonesome I Could Cry" und "Hey Good Lookin'". MOORSOLDATEN - 1933-2000
2-CD CD DIZ 002 € 25.00

* aufwendige Box 15x21 cm mit 64 Seiten Buch (Deutsch); Papenburg. "Wohin auch das Auge blicket, Moor und Heide ringsum." Kein anderes der vielen Lieder aus den Lagern und Ghettos der Nationalsozialisten ist so bekannt geworden wie das 1933 im emsländischen Konzentrationslager Börgermoor entstandene "Lied der Moorsoldaten". Nicht von ungefähr halten es die singenden Brüder Hein und Oss Kröher für "eines der wichtigsten deutschen Lieder des 20. Jahrhunderts". Herausgegeben vom Dokumentations- und Informationszentrum (DIZ) Emslandlager in Papenburg, ist jetzt, fast 70 Jahre nach seiner Entstehung, eine in Inhalt und Gestaltung einzigartige CD-Dokumentation des Liedes erschienen. Auf zwei CDs mit einer Gesamtspiellänge von zweieinhalb Stunden, ergänzt durch ein reich illustriertes, 64-seitiges Beiheft, führt diese "Reise" von den Konzentrationslagern der Nazis über das Jahr 1945 hinaus zur Geschichte der beiden deutschen Nachkriegsstaaten. Vorbei an den Folk- und Protestbewegungen seit den 1960er Jahren lässt sie uns am Ende sogar Halt in der AOD-"Lindenstrasse" machen, denn selbst dort tauchte das Lied auf. Insgesamt sind auf den CDs 31 verschiedene Bearbeitungen des Lieds aus dem In- und Ausland vertreten, alte und neue, bekannte und unbekannt.

THE MEMPHIS BLUES AGAIN**ERNEST C. WITHERS - SIX
DECADES OF MEMPHIS..**

€ 39.90

..Music Photographs - Text by Daniel Wolff English, Hardback/Gebunden mit Schutzumschlag, 27x31 cm, 176 pages; Memphis Musikszene 50s, 60s, 70s - Fotoband der Spitzenklasse !!! Through the photographs of Ernest C. Withers we travel the decades down Beale Street, the main street of the Memphis music scene, and find ourselves on a journey into the heart and soul of America. The photographs span six decades of music and the community in which it flourished, but particularly the 1950s, 1960s and 1970s. He photographed the clubs, dance halls, auditorium, recording studios, churches, and streets of Memphis - home to one of the most vibrant music scenes in America and the reputed birthplace of the blues. Indeed, Ernest Withers recorded the images of this powerful musical legacy and what he called "the black side of life" mostly at a time when the segregation laws of Memphis contributed to the musical combustion centered around the now legendary but once-infamous Beale Street. Covering blues, jazz, r&b, gospel, early rock 'n' roll, soul, and funk, Withers photographed many of the musical luminaries of the century. here are photographs of W.C. Handy, whose song "Memphis Blues" of 1909 was an instant classic, the great blues men B.B. King, Howlin' Wolf, and Muddy Waters; jazz legends Louis Armstrong, Count Basie, Duke Ellington, Dizzy Gillespie, and Lionel Hampton; as well as giants of rock 'n' roll and soul: a young Elvis Presley, Sam Cooke, Otis Redding, the queen of soul Aretha Franklin, Marvin Gaye, Al Green, the godfather of soul James Brown, Ike and Tina Turner, Isaac Hayes, and so many more. Withers was an insider to the world he photographed. And this status gives his work a rare quality of intimacy over such a vast body of work. This sense of connection is heightened by the fact that his images of the great and near-great musicians and performers are always set within the local musical milieu and the larger social context. His photographs are an invaluable documentation of a time, a place, a people, and the music.

My motives for joining the cult, symbolised by a drape jacket and rock 'n' roll music were innocent enough, but the beginnings of the teddyboy movement were rather more sinister as I discover over two decade ago, when I went in search of the roots of the Edwardian style I had adopted. It has now led to this book. It's a fascinating social document that traces the early teds, right through today. (Brian A. Rushgrove)

TONY BENNETT'S NEW YORK

- (4)** DVD U 0061 € 19.90
 • PAL, Color, 4:3, 2.0 Dolby, 90 Min; Tony Bennett, the man who gave the world I Left My Heart In San Francisco, has now been one of the world's top singing stars for almost half a century. His popularity and appeal spans all generations, won over by a musical style that is timeless in its appeal. Born Anthony Dominick Benedetto, the son of an Italian immigrant, in Queens, New York, in 1926, he became Tony Bennett in 1949 after comedian Bob Hope saw him singing in a club and suggested a change of name. Bennett never looked back... early hits like Boulevard of Broken Dreams, Just In Time and Strange In Paradise brought him recording success on both sides of the Atlantic. In 1962 he recorded I Left My Heart In San Francisco, the song that has become his signature tune. More than thirty million album sales later, Tony Bennett is still going strong. This unique video special features Tony in performance in Atlantic City and in an interview in and around New York in 1996. Archive footage and contributions from his many entertainment business friends bring further insights. It is a fascinating look at the eventful life and career of the man who Frank Sinatra named as his favourite singer and who is now considered 'The King Of Cool' by a new generation of admirers.

• 2002, NTSC, 5:1, Stereo, Dolby Digital, 4:3, English, 77 Min; 'Brian Wilson On Tour' is a documentary film celebrating the music of Beach Boy legend Brian Wilson. Following Brian through the U.S. and Japan on his first-ever solo tour, this is an intimate portrait, not of Brian 'the genius,' but of Brian 'the working musician,' choosing songs, teaching them to his 10-piece band and, ultimately, performing them live for the first time ever in front of electrified audiences. Highlights include: Twenty-four previously unreleased live performances, including one song never before issued in any form. Exclusive in-depth interviews conducted with Brian over four years. Paul McCartney's induction of Brian to the Songwriters Hall of Fame. Brian's appearance at the Bridge Benefit Concert where, just before showtime, Neil Young gets a crash course on the organ part for 'Good Vibrations.' Minutes later he joins the group onstage, along with guest vocalists Sheryl Crow, Roger Daltrey, Eddie Vedder and Emmylou Harris. A surprise backstage visit from Ronnie Spector of the Ronettes, which Brian calls, 'the biggest thrill of my life.' Candid interviews with Pete Townshend, Sheryl Crow, Neil Young and Patti Smith.

• PAL, English 5.1, 16:9, Color, 112 Min; TV Special über das SUN Label mit vielen Musik Einlagen - Klasse! Historians may agree about where and when rock 'n' roll was born. But all historians do agree that an entrepreneur in the world of music named Sam Phillips began a revolution and spawned a legacy when he created Sun Records - the place where Elvis Presley, Carl Perkins, Johnny Cash, Jerry Lee Lewis and so many others got their start. If the story of Sun Records was merely the story of discovery and emergence of a single performer - Elvis - it would be astonishing enough. But it is not. It defines some of the most

appealing roots of American popular tastem and it all happened in Memphis. The work of many original Sun artists is reprised in this two-hour American Masters film by such performers as Paul McCartney, Jimmy Page, Robert Plant and LIVE, several accompanied by Elvis' original sidemen, Scotty Moore and D.J. Fontana. It also includes rare footage of rock's founding fathers and chronicles their impact on modern artists. This 100% proof, fully charged video, into the true passion of rock 'n' roll offers us rare moments of pure pleasure.

UNRELATED SEGMENTS

X **STORY OF MY LIFE + 5 10"LP** SLP 10167 € 12.50

• Assaulting Detroit's Top Twenty in 1966-67 with screaming,
teenage garage anthems 'Story Of My Life' and 'Where You
Gonna Go?', the Unrelated Segments were the obvious
spiritual forebears of Motor City heroes the Stooges and the
MC5. These five working-class kids sported killer vocals with
just enough mind-altering guitar work to buzz around the city's
corporate music behemoths like wasps at a Labor Day picnic
table.
