(2005/SOUL OF THE HEART) 18 tracks (63:40) *I can say in all honesty... this is truly home grown music from the Heart of Texas, performed with the same musicians I work with night after night. It's so easy in this digital age for musicians to record their own CD. Good friends sitting in a circle, pouring their hearts out and having a party in the zero pressure atmosphere of my Hill Country home on the shores of Lake LBJ is exactly what I did with this collection of Texas music from me and my old friends. 'No Pain' is a compilation of 18 new and old songs I've written the years with the exception of one Honky Tonk standard written by my song writing hero, the late great Harlan Howard. The concept for this album is an idea I've been kicking around for some years now and I hope you have as much fun listening and dancing around as we had bringing it to you. - Michael Ballew -*

□ (2005/GOFFIN) 13 tracks This tiny Texas brunette beauty, with a power house voice, just happens to be my personal favorite of the new generation Rock-A-Billy singers.

However this collection of songs shows us her ability to handle Country ballads and toe tappers with equal

ease. What a creative idea of having the song titles correspond with their numeral order. You will hear songs like 'One Way Ticket To The Blues', 'Four Walls', 'Whiskey Six Year Old', 'Apartment #9', 'The Twelfth Of Never', plus eight others. All of the songs have fantastic music harmonies; then you add Marti's fine voice and here is an album that is sure to become a favorite of mine and yours, so enjoy. - Marti's friend always WANDA JACKSON

□ (2004/AMBRIDGE) 11 tracks - 1973 Hickory recordings with 12 page booklet - Highlight for old style fans ! Henry 'Redd' Stewart, the fiddle-playin', guitar-pckin' cowboy with the 'voice as smooth as honey' blazed a glorious trail throughout the 1940s and '50s as a solo artist and lead singer/songwriter with Pee Wee King's Golden West Cowboys. Considered one of the 'most shockingly-overlooked country performers of his day' Redd is well-deserving of inclusion into the Country Music Hall of Fame, if only for penning the lyrics to the immortal 'Tennessee Waltz.'

**PALADINS**

**EL MATADOR** CD CBH 2007 € 9.00  
 □ (2003 'Continental') (41:42/15) Neues Label, zurück zu den alten Wurzeln. Die Paladins, in den letzten Jahren auf CD arg country-lastig, sind umgedreht und präsentieren mit "El Matador" die von ihren Liveauftritten bekannte energetische Mischung aus Rock'n'Roll, Blues und Roots-Schmutz. Leider klingt das Album, als sei's ein Schnellschuß. Mit etwas mehr Muße hätte der eine oder andere Song ausgefeilter daher kommen können. Insgesamt jedoch der Weg in die richtige Richtung. Solide / New label. Back to the roots. Blues, rock'n'roll and greasy roots rock. Almost no country schmalz. This album comes pretty close to their high-energy live performances. With a larger budget for studio time I am sure the results would have been even better. Some tracks sound like recorded in the greatest haste. Anyhow, the Paladins are back on the tracks again! DAVE GONZALES - gtr/voc, THOMAS YEARSLEY - bass, BRIAN FAHEY - drums.

His brand-new Wild Oats Records CD, 'PURE TEXAN', showcases Joel's impressive abilities as a vocalist and songwriter. (Lehman wrote nine of the ten songs on the CD.) Joel's music may be best described as falling somewhere in-between the 'outlaw country' of the late Waylon Jennings Lehman's song 'Hero' is a moving tribute to ol' Waylon - and the classic Texas country-folk songwriters such as Guy Clark and Jerry Jeff Walker. (One of the best in that tradition, Tom Russell, wrote the liner notes to the 'PURE TEXAS' CD, calling Joel 'a damn fine singer-songwriter-storyteller'.)

□ For almost three decades since his death, Gram Parsons has become Mr. Mystique. Little or no recorded conversations have been available with the man himself. Now for the first time, hear his story in his own words. Parsons speaks about his musical influences, his information of the eclectic International Submarine Band, his part in creating and encouraging the Byrds' "Sweetheart Of The Rodeo" album, his hopes and disappointments with the iconoclast Flying Burrito Brothers, his pangs for a solo career, and his enduring musical vision. This 1972 taped interview with the late Chuck Casell on this 70+ minute, color picture disc CD is packaged with rare color photos. Please note that this compact disc contains NO music.

 Porn and David Allan Coe's nasty 70's DAC label recordings you

 western signer and songwriter with over 20 years in the business.  
 He was written for the likes of Johnny Cash, Willie Nelson,  
 Waylon Jennings, Hank Williams Jr, and George Jones. Hell, he  
 even has a couple of gold records to show for it. (Actually, that's

all he has to show for it, because what the exwives didn't take the  
 IRS did). His life-changing moment-"I went to see Waylon at  
 Memorial Auditorium in Chattanooga and thought it was the  
 coolest thing ever. So, the next day I went out and got a guitar.  
 After that, my career started off slow and then tapered off."

BAKERSFIELD REBELS

CD WIKD 232 € 17.75

□ (2004/BIG BEAT) 25 tracks Big Beat's successful reissue  
 programme drawing from the vaults of Gary S Paxton's  
 Bakersfield International Productions continues with an exciting  
 various artists volume featuring more rare mid-late 1960s

country and country rock  
 gems, with many released  
 for the first time. When he  
 moved his operation to  
 Bakersfield in 1967,  
 maverick producer Paxton  
 thumbed a nose at country  
 convention and charted  
 his own,  
 heavily-experimental,  
 course, installing a studio  
 in a disused bank vault.

He recorded country and  
 rock acts night and day,  
 ably abetted by his crack  
 studio band the Reasons  
 aka Nashville West,

featuring Clarence White,  
 Gib Guilbeau and Gene Parsons. Paxton was recording country  
 long before he moved to Bakersfield however, and from his  
 Hollywood phase came several proto-country rock titles by Dee  
 (aka Buddy) Mize, the Dudes and Paxton's sultry-voiced wife Jan.  
 with an extensively illustrated booklet that draws on the  
 recollections of many involved, 'Bakersfield Rebels' is a  
 fascinating document of a unique period in the evolution of  
 country rock.

Known in the UK chiefly for his #1 Pop hit, the truckin' tearjerker 'Teddy Bear', Sovine was a regular US country chart maker - where 'Teddy Bear' was not his biggest, or even his second biggest, hit - from the 1950s through to the early 1980s. This compilation kicks off with the first of his 60s hits 'Dream House For Sale' and ends with the two records that were released and charted after his untimely death in April 1980.

□ Rockabilly legends do not come much bigger than Mac Curtis and the late Charlie Feathers. Here is the best of their combined King Records output, presented in their best-ever sound from newly-made transfers of the original King master and session tapes. The original 'Rockabilly Kings' album was released on vinyl over 30 years ago. A landmark release by collector consensus, its reputation has never tarnished and never will. This CD adds a further 10 masters and alternates to the vinyl's 16 - which, in the interests of authenticity, are presented here in the same running order as the original album. Ace has also retained any relevant between-song session chat and false starts, putting the listener on the studio floor with the musicians at these epochal 1950s sessions. All rockabilly collectors have known and revered this material for years, and will welcome the chance to acquire it on CD. (2005/ACE) 26 tracks with 14 page booklet

☐ Jedermann erinnert sich wegen eines Songs und eines Fotos  
an Ersel aber hier ist viel mehr, wie die 25 Song Retrospektive  
enthüllt. Das ist nicht nur eine seltene Zweitversion von Bluebirds,  
die nur in Kanada veröffentlicht wurde, sondern großartige  
Rock'n Roll Nummern wie Goin' Down That Road, Stardust  
Brought Me You und You Never Can Tell. Diese Retrospektive  
enthält alle Epic und Kapp Aufnahmen von 1957 bis

1960. Everyone remembers Ersel for one song and one photo,  
but there's much more, as this 25 song retrospective reveals.

There's not only a rare alternate take of Bluebirds issued only in  
Canada, but great rock 'n' roll sides like Goin' Down That Road,  
Stardust Brought Me You, and You Never Can Tell. This  
retrospective includes all the Epic and Kapp recordings from  
1957 to 1960.

□ Möglicherweise das beste Live Album überhaupt! Jerry Lee  
war nie besser in Form als bei dieser Aufnahme von 1964. Songs  
wie Mean Woman Blues, High School Confidential, Money,  
Matchbox, Good Golly Miss Molly, Lewis Boogie, Hound Dog,  
Long Tall Sally, Whole Lotta Shakin'. Der Set ist erst vollständig  
mit dem vermissten Titel Down The Line. Dies muß einfach in der  
Sammlung eines jeden Rock 'n Roll Fans sein. Keine  
Entschuldigungen! Quite possibly the greatest live album ever!  
Jerry Lee was never in finer form than on this 1964 recording.  
Songs include Mean Woman Blues, High School  
Confidential, Money,

Matchbox, Good  
Golly Miss Molly,  
Lewis Boogie,  
Hound Dog, Long  
Tall Sally, and  
Whole Lotta  
Shakin'. Now the  
set is complete with  
the missing title,  
Down The Line. This  
is simply rock 'n roll  
fan's collection. No  
excuses!

□ Ein Traum-Paket, das alle Aufnahmen Richards' für RCA und Peacock von 1951-1953 enthält. Es ist ein Platz in der ersten Reihe bei der Geburt des Rock 'n Roll. Richard singt Jump Blues mit der Tendenz zu etwas Neuem. Hearausragende Stücke sind u.a. Get Rich Quick, Taxi Blues, Ain't Nothin' Happenin', Little Richard Boogie, Directly From My Heart To You, Fool At The Wheel and Red Rice Beans & Turnip Greens. A dream package, this includes all of Richard's RCA and Peacock recordings from 1951-1953. It's a front row seat for the birth of rock 'n' roll. Richard is singing jump blues, but edging towards something new. Standout tracks include Get Rich Quick, Taxi Blues, Ain't Nothin' Happenin', Little Richard Boogie, Directly From My Heart To You, Fool At The Wheel, and Red Rice Beans & Turnip Greens.

THE WORRYIN' KIND BCD 15643 € 15.34

□ Dreißig unglaubliche Capitol Aufnahmen aus den Jahren 1957-1959 des mißverständenen und traurigerweise unterbewerteten Tommy Sands. Tommy nahm fleißig auf und fand dennoch Zeit, Nancy Sinatra unter die Fittiche zu nehmen. Es war nicht alles großartig aber es ist das, was man braucht. Zu den Titeln gehören Teenage Crush, Ring-a-Ding, Man Like Wow, Soda Pop Pop, Hawaiian Rock Hearts Of Stone, Hey Miss Fannie, Such A Night, Oop Shoop und Blue Ribbon Baby. Thirty incredible Capitol recordings from 1957-1959 by the misunderstood and tragically under-rated Tommy Sands. Tommy recorded prolifically - and still found time to get Nancy Sinatra between the sheets. It wasn't all great, but this is the stuff you need. Titles include, Teenage Crush, Ring-a-Ding-a-Ding, Man Like Wow, Soda Pop Pop, Hawaiian Rock, Hearts Of Stone, Hey Miss Fannie, Such A Night, Oop Shoop, and Blue Ribbon Baby.

□ (1994/EMI AUS) 20 tracks

**EP-COLLECTION****25 ALL TIME GREATEST HITS**

□ (2001/VAESE) 25 tracks Johnny Tillotson has always been more than just a teen idol. That might not have been easy to discern as he sauntered carefree across the airwaves in late 1960 with 'Poetry in Motion,' or cried into his pillow two years later with 'It Keeps Right On A-Hurtin''. Looking back, though, it's obvious. This collection, which culls the best of Tillotson's recordings for Cadence and MGM Records between 1958 and 1967, shows just what a keen ear he had for timeless material.

□ *At last, the definitive Halloween compilation. The market for old-style 'Hammer Horror'/Halloween novelty rock just won't quit. Folks out there just can't get enough of the stuff. Yet, for all that, there's never been a truly satisfying compilation of this type, just a series of ragbag bootlegs that have wetted the appetite until the real deal came along. Nearly half of the content new to CD including several never-before-released Bobby 'Borris' Pickett radio station plugs from 1962 that provide a neat framing effect.*

**ELVIS IN HAWAII - JERRY**

**HOPKINS 0016 292 € 24.90**

□ English, Fester Einband/Hardbound, 22x28,5 cm, 88 pages, complete illustrated (b&w and color); In 'Elvis in Hawai'i', former Hawai'i resident and celebrity biographer Jerry Hopkins tells the story of the King of Rock and Roll's twenty-year love affair with the Hawaiian Islands and its people. Over 100 photos, many previously unpublished, document Elvis's ties to Hawai'i, the site of two of his most important concerts, the setting for three of his films, and up to a few months before he died, a favorite vacation spot. A must for Elvis fans and anyone interested in 1950s, '60s and '70s Hawai'i, this revealing portrait offers new perspectives on the life and career of a legendary performer. Jerry Hopkins, a twenty-year veteran of Rolling Stone, authored two highly praised books about Elvis Presley: Elvis: A Biography (1972) and a sequel, Elvis: The Final Years (1980). Both were international bestsellers (now out of print). His research material is one of the most visited collections in the Mississippi Valley Collection at Memphis State University, in Tennessee.

□ (2005/ACE) 24 tracks - 8 page booklet Hank Ballard is one of the best-loved of the King/Federal artists and this is where he started out with the Royals (who soon became the Midnighters). These are the complete recordings by the Royals. The group had its first chart success with 'Get It' at #6 R&B in 1953, followed by the controversial 'Work With Me Annie', an R&B chart topper in 1954. The earlier recordings are classy doo wop, notably the original version of the later Gladys Knight hit, 'Every Beat Of My Heart' (here without the usual overdubbed rhythm section). Also included as bonus tracks are previously unissued takes of 'The Shrine Of St. Cecilia' and 'Work With Me Annie'.

CLIQUEUES: The Girl In My Dreams- I'm In Love With A Girl- I'll Mess You Up- Open Up Your Heart- Don't Stop Loving Me- Miami (take 1)

□ Incredibly, this is the very first album (CD or LP) by Eugene Church, the epitome of cool West Coast R&B. We feature his four singles for the great Class label including the Hot 100 hits: 'Pretty Girls Everywhere' ('36 in 1958) and 'Miami' (#67 in 1959). Also the one single for Rendezvous and an unissued take of 'Miami', all produced by Leon Rene. Included are Church's five King singles, which are almost unknown even though produced by Johnny Otis. There was one R&B hit for King, 'Mind Your Own Business' (#19 in 1961). The compilation is rounded off by Church's earlier recordings for Specialty and Modern (as the Cliques duo with Jess Belvin, including the #45 pop hit 'Girl In My Dreams' from 1956). Will appeal to the many fans of classic R&B, rock 'n' roll and wop.

 □ (2005/ACE) 24 tracks - 8 page booklet Hank Ballard is one  
 of the best-loved of the King/Federal artists and this is where he  
 started out with the Royals (who soon became the Midnighters).  
 These are the complete recordings by the Royals. The group had  
 its first chart success with 'Get It' at #6 R&B in 1953, followed by  
 the controversial 'Work With Me Annie', an R&B chart topper in  
 1954. The earlier recordings are classy doo wop, notably the  
 original version of the later Gladys Knight hit, 'Every Beat Of My  
 Heart' (here without the usual overdubbed rhythm section). Also  
 included as bonus tracks are previously unissued takes of 'The  
 Shrine Of St. Cecilia' and 'Work With Me Annie'.

 fantastic lead vocals of Johnny Tanner and the stinging guitar of  
 Lowman Pauling, the gospel-infused harmonies and the vibrant  
 recordings of the '5' Royales were and still are integral to the  
 metamorphosis of R&B into soul. Pauling was and remains the  
 idol of Stax's premier guitarist Steve Cropper, who has written a  
 brief note for this CD that we feature in the booklet. Billy Vera  
 has also written a piece for this project. 'Dedicated' contains all  
 of the Royales' major King R&B hits, including two all-time  
 classics of Rock 'N' Roll in 'Think' (revived by James Brown in the  
 70s) and 'Dedicated To The One I Love'.

□ For almost three decades since his death, Gram Parsons has

become Mr. Mystique. Little or no recorded conversations have

been available with the man himself. Now for the first time, hear his story in his own words. Parsons speaks about his musical influences, his information of the eclectic International Submarine Band, his part in creating and encouraging the Byrds' "Sweetheart Of The Rodeo" album, his hopes and disappointments with the iconoclast Flying Burrito Brothers, his pangs for a solo career, and his enduring musical vision. This 1972 taped interview with the late Chuck Casale on this 70+ minute, color picture disc CD is packaged with rare color photos. Please note that this compact disc contains NO music.

1965-68 2-CD CD SC 11138 € 30.68

□ (2004/SUNDAZED) 40 tracks; Davie Allan & The Arrows recorded the most frenzied instrumentals the world has ever heard! Allan's fuzzed-out guitar was an audio compass pointing towards freedom, sex, danger and violence, his trashy fretboard riffs exploding behind flickering celluloid images of cycle runs, biker fights, drug freakouts and rubber-burnin' hot rods. Through exclusive arrangement with Curb Records, Sundazed is thrilled to present this 40-track, 2-CD anthology, rounding up the best of the Arrows' '60s recordings: the 45s, sizzling album cuts, mindcolor 16-pg. booklet with band history, interviews with Davie, producer Mike Curb, the Arrows, plus unseen photos, original

□ (2005/GOFFIN) 13 tracks This tiny Texas brunette beauty, with a power house voice, just happens to be my personal favorite of the new generation Rock-A-Billy singers. However this collection of songs shows us her ability to handle Country ballads and toe tappers with equal ease. What a creative idea of having the song titles correspond with their numerical order. You will hear songs like "One Way Ticket To The Blues", "Four Walls," "Whiskey Six Year Old," "Apartment #9," "The Twelfth Of Never," plus eight others. All of the songs have fantastic music harmonies; then you add Marti's fine voice and here is an album that is to sure to become a favorite of mine and yours, so enjoy. - Marti's friend always WANDA JACKSON

☐ Hin und wieder gibt es ein Rockabilly Revival. 1977 war Robert Gordon der Mann der Stunde. Er umgab sich mit großartigen Spielern wie Link Wray, Danny Gatton und Chris Spedding und nahm einen Mix aus alten wie neuen Songs auf. Das war dann Rockabilly mit einem Schuß Punk. Die 25 Cuts hier enthalten The Way I Walk, Catman, Flyin' Saucer Rock 'n Roll, Red Hot, Black Slacks, The Worryin' Kind und Crazy Man Crazy. Drei Cuts waren bis dahin nur auf einer Promo LP erhältlich. Every now and again, there's a rockabilly revival. In 1977 the man of the hour was Robert Gordon.  □ (2003 'Continental') (41:42/15) Neues Label, zurück zu den alten Wurzeln. Die Paladins, in den letzten Jahren auf CD arg country-lastig, sind umgedreht und präsentieren mit "El Matador" die von ihren Liveauftritten bekannte energetische Mischung aus Rock'n'Roll, Blues und Roots-Schutz. Leider klingt das Album, als sei's ein Schnellschub. Mit etwas mehr Muße hätte der eine oder andere Song ausgefeilter daher kommen können. Insgesamt jedoch der Weg in die richtige Richtung. Solide / New label. Back to the roots. Blues, rock'n'roll and greasy roots rock. Almost no country schmalz. This album comes pretty close to their high-energy live performances. With a larger budget for studio time I am sure the results would have been even better. Some tracks sound like recorded in the greatest haste. Anyhow, the Paladins are back on the tracks again! DAVE GONZALES - gtr/voc, THOMAS YEARSLEY - bass, BRIAN FAHEY - drums.

 1965-68 2-CD** CD SC 11138 € 30.68

□ (2004/SUNDAZED) 40 tracks; Davie Allan & The Arrows  
 recorded the most frenzied instrumentals the world has ever  
 heard! Allan's fuzzed-out guitar was an audio compass pointing  
 towards freedom, sex, danger and violence, his trashy fretboard  
 riffs exploding behind flickering celluloid images of cycle runs,  
 biker fights, drug freakouts and rubber-burnin' hot rods. Through  
 exclusive arrangement with Curb Records, Sundazed is thrilled to  
 present this 40-track, 2-CD anthology, rounding up the best of  
 the Arrows' '60s recordings: the 45s, sizzling album cuts,  
 mindcolor 16-pg. booklet with band history, interviews with  
 Davie, producer Mike Curb, the Arrows, plus unseen photos,  
 original album graphics & more!

**IVIE ANDERSON**

**WITH THE DUKE AND BEYOND - I GOT IT GOOD...**  
 ☐ Best known as Duke Ellington's finest vocalist, this new Jasmine CD is an overview of Ivie Anderson's career, literally with the Duke and beyond. Sadly, there was not much 'beyond' because Ivie died tragically young in 1949, seven years after ill-health forced her to leave Ellington. Featured here are 14 classic tracks recorded with the Duke, ten in the after-period. This set finds Ivie succeeding in all categories as a fine singer and fully deserving individual attention.

☐ (2005/VERVE) 10 tracks; Als ein vom Blues beeinflusster und sehr einflussamer Balladen Sänger in der Tradition eines Billy Eckstine oder Al Hibbler, machte Ernie Andrews bis Ende der vierziger Jahre nur eine Handvoll Aufnahmen. Die hier vorliegende Aufnahme von 1964 zeigt ihn als herausragenden Sänger, mit der gleichen Fähigkeit ausgestattet, in die Essen einer

Komposition vorzudringen, wie jeder seiner berühmten, musikalischen Verwandten.

□ (2005/VERVE) 12 tracks; Der Eindruck der beim einem ersten Hören dieser Aufnahmen entsteht, bestätigt die vorherigen Vermutungen des Hörers: die von Ella Fitzgerald praktizierte Art des Singens ist nicht einfach eine Kunst der Interpretation, sondern

auch eine der Neuerung und der Besinnung auf das inhaltlich Wesentliche. Dies ist nicht weniger wahr, wenn sie sich 'Hello, Dolly!' oder 'Can't By Me Love' von den Beatles vornimmt, als wenn sie Cole Porter oder Richard Rogers zum Besten gibt.

In sowohl Portugiesisch, als auch Englisch singend, mit Arrangements von Eumir Deodato und einer Begleitband die Herbie Hancock und Airtio Moreira beinhaltet, ist 'Courage' ein Beweis dafür, das ein einzigartiger, musikalischer Stern auf der internationalen Szene aufgetaucht war.

Dabei lieferte sie eine Darbietung die alles andere als glatt poliert aber nicht weniger beeindruckend war, als ihr auch ansonsten hoher Standard. Featuring Thad Jones, Frank Wess, and Roy Haynes.

<p>☐ POLYDOR - ein Name ist Legende. Seit den 'Golden Zwanzigern' drehen sich Schellacks, später Vinyl und Compact Discs unter dieser Weltmarke, anfangs mit verschiedenfarbigen Labels, seit Beginn der 50er Jahre mit dem unverwechselbaren Orange-Label und den kleinen Sternchen oder mit dem seit 1963 eingeführten Polydor-Rot. Acht Jahrzehnte im Dienst der Musik. Das Hamburger Qualitätslabel mit Kreativ-Garantie hat dabei alle Moden und Strömungen, alle Trends und Stilrichtungen bedient: von Vorkriegs-Gassenhauern über den Sound der grossen Tanzorchester bis zum deutschen Schlager, den Polydor-Produkte entscheidend geprägt haben; von Rock 'n' Roll und Beat über die Songs der Liedermacher bis hin zum aktuellen Pop-Spektrum mit all seinen vielfältigen inhaltlichen Nuancen - alles hat seinen Platz gefunden. Unzählige Hits wurden im Laufe der Dekaden veröffentlicht. Superstars in spe machten auf Polydor ihre ersten musikalischen Gehversuche, viele Interpreten blieben Eintagsfliegen, wieder andere sorgten lange Jahre für grandiose Beispiele ihres Könnens - und präsentieren es oft noch heute. Polydor, der Name steht für nationale Grössen wie Peter Kraus, Freddy Quinn und Peter Alexander, er steht genauso für ein internationales Künstler-Aufgebot mit Abba, Betales, Bee Gees, Caterina Valente und zahlreichen anderen. Dementsprechend gross ist die inhaltliche Bandbreite auf dieser ebenso attraktiven wie spektakulären 8-CD-Box plus 1 DVD: mit Chart-Erfolgen und Kuriositäten, mit gesuchten Raritäten und Melodien, die auch diverse Jahre nach ihrer Erstveröffentlichung für den guten Ton sorgen - für eine SINFONIE DER STERNE. ☐ "Wunderbar" - eines der wenigen Worte, die Jürgen von  
Manger nach mehreren Schaganfällen immer noch beherrscht.  
Wunderbar, aber auch und nach wie vor aktuell, das  
umfangreiche Werk des 1994 verstorbenen Vaters der  
Ruhrgebietskomiker. Aus dem umfangreichen Archiv, das  
tacheles/Root Music nach dessen Tod verwaltet, sind neben  
Klassikern wie "Delinquenten Zelle, Schwiegermuttermörder,  
Lohengrin, Wilhelm Tell, Lampengeist" oder "Feines Benehmen"  
etliche, bislang unveröffentlichte, sowie andere, erstmalig auf CD  
erscheinende Titel zu hören. Anlässlich von Mangers 80.  
Geburtstag wird "Wunderbar" neben der  
Standard-4CD-Multiset-Ausführung in einer einmaligen, auf  
1000 Exemplare limitierten, aufwendigen Sonderedition  
erhältlich sein.

ENTARTETE MUSIK (4-CD) CD 65023 € 49.90

□ Die Nazis betrachteten die Machtergreifung von 1933 auch als eine 'Kulturrevolution', mit der ein nationalistisch-rassistisches Ideal deutscher Kunst durchgesetzt werden sollte. Nur wenigen war bekannt, dass auf die Münchener Ausstellung 'Entartete Kunst' 1938 in Düsseldorf eine Ausstellung 'Entartete Musik' folgte. Fünfzig Jahre später haben der Berliner

Musikwissenschaftler Albrecht Dümling und der Düsseldorfer

Intendant Peter Girth mit einer kritisch kommentierten

Rekonstruktion an diese fast vergessene Propagandaschau

erinnert, um damit exemplarisch die Steuerung des Musiklebens

im NS-Staat darzustellen. Aus diesem Anlass entstanden

Hörprogramme mit Tondokumenten, die für diese

Compact-Disc-Ausgabe um weitere Beispiele ergänzt wurden.

Dem Verpönten steht dabei das offiziell Geförderte gegenüber.

Der Hörer kann sich so selbst ein Urteil bilden, auf welcher Seite

Entartung vorliegt. 1. Säuberungen 2. Missbrauch 3. Deutsche

Musik 4. Widerstand

Dokumentation von Bettina Hindemith & Sabine Milewski - 120 Minuten: Ohne Anschrift, gerichtet nur an 'Lili Marleen', schrieben ihr deutsche Soldaten im Zweiten Weltkrieg Briefe, und sie kamen alle wohlbehalten am Berliner Kurfürstendamm an: Über Nacht war aus der Sängerin Lale Andersen die 'Lili Marleen' geworden - und blieb es. 'The

original singer of 'Lili Marleen' hiess es in den Anzeigen, die Lale Andersens Auftritte in der Nachkriegszeit in England ankündigten; das Lied, das sie berühmte gemacht hatte, wurde bis heute in dutzenden Versionen wieder und wieder aufgenommen: Marlene Dietrich und Freddy Quinn haben es gesungen, Joachim Kowalski und Ulrich Tukur, und auch das Symphonieorchester des Moskauer Bolschoitheaters hat es eingespielt. Bettina Hindemith und Sabine Milewski sind dem Mythos von 'Lili Marleen' und Lale Andersen nachgegangen und fanden eine Geschichte, in der sich Legenden und Fakten kaum noch unterscheiden lassen.

Ein Porträt von Karin Köbernick - Spielzeit 120 Minuten Er war von 'Kopf bis Fuss auf Liebe eingestellt'. Er liebte - vorbehaltlos: die Musik und die Menschen, weibliche besonders. Er konnte alles scheinbar mühelos, war Komponist, Textdichter, Schauspieler, Regisseur, Schriftsteller, Dirigent, Kabarettleiter und Pianist. Seine unerschöpfliche Kreativität und seine Improvisationsfähigkeit machten den kleinen Mann zu einem der ganz Grossen der Bühne und des Films. Er arbeitete mit Marlene Dietrich, Blandine Ebinger, Kurt Tucholsky, Billy Wilder und vielen anderen Stars. Unvergesslich sein Chanson 'Ich bin von Kopf bis Fuss auf Liebe eingestellt' aus dem Film 'Der Blaue Engel'. Nach seiner Emigration erlangte er in Hollywood Weltruhm. Nach mehr als mit dem Film ist mit dem Namen Hollaender die grosse Zeit der Kabarett-Revuen, und des politisch-satirischen Kabarett in Berlin der sogenannten 'Goldenen' 20er Jahre verknüpft. Karin Köbernick porträtiert diesen grossen Künstler anhand von vielen historischen Originalaufnahmen.

Das 20. Jahrhundert

Doch die Euphorie

wird bald durch den Ersten Weltkrieg erschüttert. Die bewegten Jahrzehnte des 20. Gekonnt wechselt sie die Themenfelder - Politik, Kultur, Wissenschaft - , geschickt kombiniert sie Tondokumente und musikalische Einlagen. - DIE ZEIT -

Ein Porträt von Karin Köbernick - Spielzeit 54 Minuten Mit zahlreichen Originalaufnahmen Die Geburtsstunde des Kabarett in Deutschland ist umstritten, nicht aber Claire Waldoffs triumphaler Erfolg auf den ersten Kabarettbühnen in Berlin. Mit rauher Kehle und aggressiven Gemüt, mit Herz und Schnauze, mit kessem Humor und Schlagfertigkeit, eroberte sie ihr Publikum. In Original-Aufzeichnungen vom Anfang des 20. Jahrhunderts hört man sie singen und erzählen. Kaiser Wilhelm ruft auf einem verkratzten Tondokument von 1914 sein Volk zu den Waffen und Claire schmettert dazu ihr Spottlied 'wenn die Soldaten durch die Stadt marschieren...'

**HANK WILLIAMS**

HÖRBUCH PLUS 4-CD SET CD 2233170 € 23.50

Dominic Raacke liest die Biographie von Calin Escott plus Musik CD, Photoalbum und Bildschirmschoner; Hank Williams Sr. schuf in seinem nur kurz dauerndem Leben eines der beeindruckendsten Gesamtwerke der amerikanischen Musikgeschichte. Beeinflusst von Gospel und schwarzem Blues sowie den frühen Cowboys wie Gene Autry, schlug er die Brücke vom damals verpönten Hillbilly, überwand dabei alle musikalischen Grenzen bis zu Pop und "erfand" dabei Country, Rock 'N' Roll und Rockabilly. Tatsächlich hat Hank Williams Sr. den Pfad vorgetrampelt, den Elvis erst noch gehen sollte. Williams lebte den so genannten Rock 'N' Roll-Spirit vor: Alkohol, Drogen, exzessives Leben, Groupies und hysterisches Fantum. Er füllte die grössten Hallen und verkaufte millionenfach Platten von "Lovesick Blues", "Jambalaya", "I Saw The Light", "Move It On Over", "Cold Cold Heart", "I'm So Lonesome I Could Cry" und "Hey Good Lookin'". Erst 29-jährig starb er am 1.1.1953 auf dem Rücksitz seines Cadillac auf dem Weg zu einem Auftritt nach einem intensiv-schnelles Leben voll von Alkohol, Drogen, endlosen Tourneen, Eheproblemen und ungläublichen Rückenbeschwerden aufgrund eines offenen Rückenmarks. Hank Williams Sr. galt nicht nur Bob Dylan oder Bruce Springsteen als Vorbild. Viele Künstler haben seine Songs im Live-Repertoire (Beck, 16 Horsepower, Nick Cave, Emmylou Harris, Kris Kristofferson) oder auf Platten aufgenommen. So z.B. Senkrechtstarter Ryan Adams, Sheryl Crow oder auch Johnny Cash im Duett mit Nick Cave auf "American Recordings IV". Sprecher: Dominic Raacke (Country-Fan, Schauspieler, u.a. Berliner TATORT-Kommissar, sein erstes Hörbuch) inkl. historischem Tonmaterial (Hank Williams Sr. Radio-Trailer, Beerdigungsrede...) Ton Statements von Kris Kristofferson, Chet Atkins, Merle Kilgore u.a. "Die endgültige Biographie: meisterhafte Beschreibung, die die Seele des Musikers hinter den Legenden aufstößt." Zwei Vorzeigeprojekte des sozialistischen Deutschland trugen Stalins Namen: eine Prachtstrasse in der Hauptstadt Berlin und eine neue Stadt, die in der Nähe der Stadt Fürstenberg an der Oder entstand. Reportagen und Interviews, Lieder und Ansprachen dokumentieren Ereignisse, mit denen die Staatsführung versuchte, die Bevölkerung für das neue System zu begeistern. Neben Bürgern Berlins und Stalinstadt sind Friedrich Ebert, Wilhelm Pieck, Otto Grotewohl und Walter Ulbricht zu hören.

□ Die Tonaufnahmen führen zurück in die Gründerjahre der beiden deutschen Staaten nach 1949 bis 1955. Planwirtschaft

oder Marktwirtschaft bildete die Kampfparole der politisch unterschiedlichen Systeme. Beide erhoben für sich den Anspruch, ein soziales, demokratisches und erfolgreiches Deutschland wieder aufzubauen. Wohlstand und Frieden waren die für beide deutsche Staaten propagierten Ziele. Es ging jedoch jeder Staat seinen eigenen Weg: die Bundesrepublik den Weg einer offenen bürgerlichen Gesellschaft, die DDR den Weg der Parteidiktatur. Während die Bundesrepublik Deutschland zur Mitte der 50er Jahre dank ihrer Exportleistungen "Made in Germany" auf dem Weg zu einer erfolgreichen Konsum- und Leistungsgesellschaft war, zeigten in der DDR Probleme und Schwächen beim "planmäßige"n Aufbau des Sozialismus. Zehn Jahre nach dem Zweiten Weltkrieg war die Teilung Deutschlands offensichtlich. Beide Staaten wurden 1955 Mitglieder in rivalisierenden Militärböcken, die DDR im Warschauer Pakt, die Bundesrepublik in der NATO.

□ Seine Geschichte in historischen Tondokumenten Diese Tondokumente vermitteln einen kleinen akustischen Rückblick auf die Geschichte der lenkbaren Luftschiffe. Sie reichen zurück bis in das Jahr 1908, in dem sich der Graf Zeppelin für die Nationalspende bedankt, die es ihm ermöglicht habe, den Bau der Zeppeline fortzuführen. Ludwig Dürr, der Chefkonstrukteur, wie auch die Kapitäne der Luft, Hugo Eckener und Hans von Schiller, kommen zu Wort und berichten über die Arktis-Expedition (1931) und die Atlantiküberquerung (1924). Die grossen Erwartungen an einen regelmäßigen Passagierverkehr zwischen Europa und Amerika endeten jäh mit der Katastrophe des Luftschiffs LZ 129 "Hindenburg" bei seiner Landung in Lakehurst (USA). Die Reportage vom 6. Mai 1937 ist eines der erschütterndsten Tondokumente der Luftfahrt.

**1848- GETEILTES ERBE. TONDOKUMENTE 1948** CD AR 5519 € 14.50

□ Die Tondokumente zu den zahlreichen Feierlichkeiten, mit denen im Frühjahr 1948 der gescheiterten Märzrevolution des Jahres 1848 wurde, spiegeln die beginnende Spaltung Deutschlands und Berlins wieder. Auch wenn Berlin zu dieser Zeit formell noch den vier Besatzungsmächten unterstellt war, verwiesen getrennte Veranstaltungen und Kundgebungen bereits auf Konflikte innerhalb des Kontrollrates, die Verboten für 40 Jahre deutsche Teilung sein sollten. Ansprachen und Reportagen, aufgenommen in der Zeit zwischen 17. März und 18. Mai 1948, lassen neben dem Schriftsteller Fritz von Unruh zahlreiche Politiker zu Wort kommen. Otto Grotewohl und Wilhelm Pieck sprechen im Rahmen des II. Volkstages aus ihrer Perspektive über das Vermächtnis der Arbeiterklasse. Paul Löbe, Jakob Kaiser, Ernst Reuter und Fritz von Unruh heben demgegenüber die Bedeutung der Märzrevolution für die Herausbildung von Demokratie und Parlamentarismus in Deutschland hervor.

**BERATUNGEN ZUM GRUNDGESETZ 1948/49** CD AR 5524 € 14.50

□ Vom 1. September 1948 bis zum 23. Mai 1949 tagte in Bonn der Parlamentarische Rat. Er schuf eine Verfassung, die zunächst nur für die drei Westzonen gedacht war, jedoch auch nach der deutschen Vereinigung ihre Gültigkeit behielt. Der Rundfunk berichtete regelmässig über den Fortschritt der Arbeit, übertrug Redebeiträge aus dem Plenum und lud Abgeordnete zu Ansprachen und Gesprächsrunden ein. Die Tondokumente auf der CD spiegeln daher den Ablauf der Debatten in und um den Parlamentarischen Rat von der Vorbereitung Bonns als Tagungsort bis zur feierlichen Verkündung des Grundgesetzes. Wünsche, Ziele und Sorgen der Verfassungsväter und -mütter werden ebenso dokumentiert wie ihre Differenzen und die Ansichten einiger externer Beobachter. Wesentliche Politiker der Nachkriegszeit wie Konrad Adenauer, Theodor Heuss oder Carlo Schmid kommen dabei zu Wort. Ein Essay über Entstehungsgeschichte und Einzelaspekte des Parlamentarischen Rates ergänzt die Originaltonne.

**OST WEST KONFLIKT - KALTER KRIEG IN DEUTSCHL.**

CD AR 5526 € 14.50

Nur wenige Jahre nach der vollständigen Kapitulation und Entwertung Deutschlands im Mai 1945 begann die öffentliche Diskussion um die Wiederaufrüstung; der sich verschärfende Ost-West Konflikt sowie der Korea-Krieg (seit Juni 1950) waren dabei die wesentlichen Faktoren. Schon Anfang 1956 gab es in beiden deutschen Staaten die ersten Freiwilligenverbände: die Bundeswehr in der Bundesrepublik Deutschland, die Nationale Volkarmee in der DDR. Die vorliegende CD zeichnete diese konträre Auseinandersetzung nach, so wie sie im Rundfunk in den Jahren 1949 bis 1956 zu hören war. Dabei erhalten die wichtigsten Protagonisten beider Seiten das Wort: Adenauer, Ulbricht, Schumacher, Pieck, Ollenhauer, Franz Josef Strauss und andere, die - wie der Präsident des Bundesamtes für Verfassungsschutz, Otto John - von West nach Ost gewechselt waren, um vor der Remilitarisierung zu warnen oder Gustav Heinemann, der die Aufrüstung als unvereinbar mit der deutschen Wiedervereinigung ansah.

Die CD erscheint anlässlich einer Ausstellung, die ab März 2000 - beginnend in Berlin - an mehr als zehn Orten der Bundesrepublik Deutschland bis in das Jahr 2002 zu sehen sein wird. Die Ausstellung, im Auftrag des Arbeitskreises selbständiger Kulturinstitute e.V. Bonn federführend von der Stiftung Deutsches Rundfunkarchiv Frankfurt am Main - Berlin in Kooperation mit der Stiftung Archiv der Akademie der Künste Berlin erarbeitet, befasst sich mit Remigranten und Rundfunk in Deutschland von 1945 bis 1955. Sie geht den Fragen nach, unter welchen Bedingungen Remigranten, die während der Zeit der nationalsozialistischen Diktatur aus Deutschland hatten fliehen müssen, im Nachkriegsdeutschland, vor allem beim Rundfunk, haben Fuss fassen können und wie sie inhaltlich die Programme dieses Mediums (mit)geprägt haben. In 17 Tonaufnahmen ist neben Persönlichem vor allem Politisches festgehalten - in Interviews mit Betroffenen, Kommentaren und Vorträgen, Hörspielen und Hörfolgen.

**DAS LIED DER MOORSOLDATEN - 1933-2000 2-CD**

CD DIZ 002 € 25.00

aufwendige Box 15x21 cm mit 64 Seiten Buch (Deutsch); Papenburg. "Wohin auch das Auge blickt, Moor und Heide ringsum." Kein anderes der vielen Lieder aus den Lagern und Ghettos der Nationalsozialisten ist so bekannt geworden wie das 1933 im emsländischen Konzentrationslager Börgermoor entstandene "Lied der Moorsoldaten". Nicht von ungefähr halten es die singenden Brüder Hein und Oss Kröher für "eines der wichtigsten deutschen Lieder des 20. Jahrhunderts".

Herausgegeben vom Dokumentations- und Informationszentrum (DIZ) Emslandlager in Papenburg, ist jetzt, fast 70 Jahre nach seiner Entstehung, eine in Inhalt und Gestaltung einzigartige CD-Dokumentation des Liedes erschienen. Auf zwei CDs mit einer Gesamtspiellänge von zweieinhalb Stunden, ergänzt durch ein reich illustriertes, 64-seitiges Beiheft, führt diese "Reise" von den Konzentrationslagern der Nazis über das Jahr 1945 hinaus zur Geschichte der beiden deutschen Nachkriegsstaaten. Vorbei an den Folk- und Protestbewegungen seit den 1960er Jahren lässt sie uns am Ende sogar Halt in der ARD-"Lindenstrasse" machen, denn selbst dort tauchte das Lied auf. Insgesamt sind auf den CDs 31 verschiedene Bearbeitungen des Lieds aus dem In- und Ausland vertreten, alte und neue, bekannte und unbekannt.

Zu hören sind ausserdem unter anderem Reichspräsident Ebert und Gustav Bauer, die sich für einen demokratischen Neuanfang nach dem verlorenen Weltkrieg aussprachen, Gustav Stresemann, Otto Braun und Heinrich Brüning, die die Republik in den Jahren 1928-1930 zu konsolidieren versuchten, sowie Wilhelm Pieck, Clara Zetkin, Reichspräsident Hindenburg, Franz von Papen, Joseph Goebbels und schliesslich Adolf Hitler, die in unterschiedlicher Weise zu Beginn der 30er Jahre an der Zerstörung der ersten deutschen Demokratie mitgewirkt hatten.

Am 30. Januar 1933 ernannte Reichspräsident von Hindenburg den Führer der NSDAP, Adolf Hitler, zum deutschen Reichskanzler. Dieses von den Nationalsozialisten "Machtergreifung" genannte Ereignis führte in den darauf zwölf Jahren zur grössten Katastrophe in der deutschen Geschichte, zum Zweiten Weltkrieg und zur Vernichtung der europäischen Juden. 23 Tonaufnahmen spiegeln wesentliche Vorgänge des Jahres 1933 wider: so die Reportagen vom Fackelzug am 30. Januar, vom "Tag von Potsdam" und von der Reichstagssitzung mit der Verabschiedung des "Ermächtigungsgesetzes", vom Boykott jüdischer Geschäfte am 1. April und von der Bücherverbrennung, ferner die Rundfunkreportagen aus einem der ersten Konzentrationslager (Oranienburg) und von einer Polizeiaktion im Berliner Scheunenviertel. In diesen Tondokumenten ist in nuce die Katastrophe des "Dritten Reiches" vorgezeichnet. Reden von Otto Wels und von Georgi Dimitroff konnten zwar diese Entwicklung nicht verhindern, sie dokumentieren aber wichtige Positionen des Wiederstandes.

Er war einer der gefragtesten Bassisten in den 60er und 70er Jahren und hatte Hits als Mitglied der Manfred Mann Band; er arbeitete mit Künstlern wie Phil Spector, Randy Newman, Harry Nilsson, Carly Simon, Dr. John und vielen anderen; er war zusammen mit Eric Clapton und Alan White Gründungsmitglied von John Lennons Plastic One Band; er wirkte mit bei Meilensteinen wie Lennons 'Imagin, Harrisons All Things Must Pass und dem bahnbrechenden Concert for Bangla Desh'. Er entwarf legendäre Plattencover wie 'Revolver' von den Beatles. Er ist zweifacher Grammy-Gewinner. Kein Deutscher hat in der internationalen Rockmusik so viele Spuren hinterlassen wie Klaus Voormann. Aber vor allem war und ist Voormann seit vierzig Jahren ein enger Freund der berühmtesten Band aller Zeiten: der Beatles. Er hat John, Paul, George und Ringo, seit sie in Hamburg 1960 Freunde wurden, regelmässig getroffen und enge persönliche und professionelle Kontakte gepflegt. Sie haben zusammen gewohnt, Urlaub und Platten gemacht, Erinnerungen und Gedanken ausgetauscht. Zuletzt stand Klaus Voormann beim Gedenkkonzert für George Harrison in der Royal Albert Hall mit seinen alten Weggefährten Ringo, Paul und Eric Clapton und anderen auf der Bühne. Von dieser aussergewöhnlichen Karriere und Freundschaft erzählt sein Buch.

0031 182 € 24.90

□ English, Paperback, 15x22.5 cm, 318 pages, rare b/w photos; Long before Garth Brooks, Shania Twain, Faith Hill, and The Dixie Chicks, the original pioneers of country-music - The Carter Family, Vernon Dalhart, The Monroe Brothers, The Louvin

Brothers, and others - paved the way for future country artists, influencing musicians for generations to come. Now for the first time, country music authority Charles K. Wolfe gathers together his profiles of 50 legends of country music. 'Classic Country' includes such Hall of Famers as the father of bluegrass Bill Monroe, honky tonker Lefty Frizzell, and queen of country music Kitty Wells, as well as lesser-known but equally important artists like DeFord Bailey, the first African-American member of the Grand Ole Opry, the mysterious Seven Foot Dilly, and the reclusive songwriter Arthur O. Smith. Wolfe also offers portraits of recent artists who perform in the classic country style, such as Doc

Watson, The Freight Hoppers, and Hazel and Alice. Much more than a collection of mini-biographies, this engaging collection also provides unique insights into the history of the recording and broadcast industry that are sure to fascinate not only fans and scholars of country and bluegrass music, but anyone interested in the roots of American popular music.

□ Paperback, 20x26x4 cm, 764 Seiten, Farbe/Color; Die Beschäftigung der Amerikaner mit dem einsetzenden Zweiten Weltkrieg und später auch ihr militärisches Engagement spiegeln sich in der Printwerbung aus der ersten Hälfte der 40er-Jahre wider. Die Konsumenten gaben alles für die amerikanische Sache, und in den Anzeigen traten Panzer und Kanonen an die Stelle von Automobilen und Waschmaschinen. Als die USA Mitte der 40er-Jahre siegreich aus dem Weltkrieg hervorgingen, herrschte ein nie da gewesener Stolz und Wirtschaftswohlstand. Die psychische Befindlichkeit, der technische Fortschritt und das zunehmende Konsumdenken der damaligen Zeit kommen nirgends besser zum Ausdruck als in der Werbung. Seien es Kommunikationsgeräte von Western Electronic ("Für das moderne Schlachtfeld"), Übersee-Liniendampfer von Matson ("Aufbruch in ein schöneres Morgen", Whisky von Seagram ("Für Männer, die weiter als bis morgen denken") oder Staubsauger von Hoover ("Für alle Frauen, die stolz auf ihr Heim sind") - in der allgegenwärtigen Werbung, die den Konsumenten eine schier endlose Palette von Dienstleistungen und Produkten anpries, waren Optimismus und Wohlstand ein ständig wiederkehrendes Thema. Teilweise schockiert die Werbung aus den 40ern durch rassistische oder sexistische Untertöne, doch einige Lieblingsartikel der Amerikaner wie die beliebte Campbell-Suppe sind interessanterweise über all diese Jahre eine feste Konstante geblieben.

Schmöker zum konkret auf die Sahnne hauen beim illegalen Rennen am Samstag: Few lexicons are as rich, as varied, or as unique as that which the hot rodding community has developed over the last 60-plus years. Sure to appeal to veteran enthusiasts as well as those still wet behind the ears, "The Ultimate Hot Rod Dictionary" features painstakingly researched definitions for more than 1,600 terms and phrases. Described within are the technologies, designs, styles, vehicles, and phenomena associated not just with hot rods, but also with muscle cars, drag racing, custom cars, and lowriders. In addition to cross-referencing terms that

appear elsewhere in the book, author Jeff Breitenstein offers etymologies as well as usage examples and pronunciations where appropriate. The resulting long-overdue study which is accompanied by more than 225 exclusive line-art illustrations, is a must for anyone interested in more than a half-century of hot roding, automotive, and motorsport history and its cultural implications.

□ (2003/MOTORBOOKS) English, paperback, 25x25 cm, 160 pages; Who knows when it became known as a pickup? One thing is for sure, no American has to ask what it means. A working man's best friend, the pickup truck started as an early horseless carriage that delivered milk and produce from farms to local markets. Today, the pickup-truck - along with the tractor, the bulldozer, and the forklift - is used daily to do the heavy work on farms and ranches, in factories and construction sites throughout the land. Picking up on the popularity of this

four-wheeled beast of burden, Mike Mueller tells the complete history of these light trucks in an engaging text filled with facts, legends, and lore. Over 100 color and 100 historical black-and-white images complement the text. You'll find all the popular pickups here - Ford, Chevrolet, GMC, and Dodge - as well as long-retired marques, such as International, Willy's, Studebaker, Hudson, and more. So hop in the back and discover the story of where the pickup's been and what lies down the road.

□ □ (2005/VOODOO) Deutsch, Paperback, 5x21 cm, 158 Seiten (über 30 Seiten mit seltenen Farb und Schwarzweiß-Abbildungen) 'La Paloma' ein alter Hut? Keineswegs, wenn man die deutschen Unterhaltungsmedien betrachtet. Der NDR sendete auf seiner Welle 90,3 ein Jahr lang jeden Tag eine andere Version von 'La Paloma'. Eine ARD-Fernseh-Sendung in Zusammenarbeit mit der GEMA brachte an den Tag, dass das Lied der 'Jahrhundert-Hit' in Deutschland ist. Für einen Eintrag im Guinness-Buch der Rekorde kamen letztes Jahr über 80 000 Menschen in Hamburg zusammen, um 'La Paloma' zu singen. Grund genug, die Geschichte der Komposition des baskischen Kirchenmusikers Sebastián de Yradier (1809-1865) bis zum heutigen Tag zu untersuchen. Das Ergebnis ist ein Wechselspiel aus Kunst und Kommerz, Kitsch und Kalauer. Zum ersten Mal ist es mit diesem Buch gelungen, die wahre Identität des Verfassers der deutschen Version ('Mich rief es an Bord, es wehte ein frischer Wind...') aus dem 19. Jahrhundert zu klären. So interessant wie die Historie des Liedes ist auch die Vita der Menschen, die 'La Paloma' neu betextet (Helmut Käutner, Don Robertson), als Inspiration für literarische Werke verwendet (Gustav Harders, Fritz Reck-Mallezcewen) oder als Schicksalslied ihres Lebens erfahren haben (Joachim Ringelnatz, Coco Schumann). Die Interpretationen durch Tenöre, Schlagersänger und Popmusiker von Richard Tauber, Freddy Quinn, Elvis Presley bis Achim Reichel zeigen, welche Höhen und Tiefen eine Komposition in Kriegs- und Friedenszeiten durchmachen muss. Aber auch die Sternstunde und Abgründe der deutschen Musik-Industrie im 20. Jahrhundert werden offenbar.

Mit Texten von Pattie Smith, Rosanne Cash, Lou Reed, Beck und Mos Def sowie Kurzbiographien aller portraitierten Musiker. Musiker haben schon immer eine zentrale Rolle in ihrer langen und erfolgreichen Karriere gespielt. Annie Leibovitz war neunzehn Jahre jung und 'Studentin am San Francisco Art Institute, als sie für die 'Rolling Stones' zu arbeiten begann. Drei Jahre später, 1973, wurde sie die Hausphotographin des Magazins und prägte ein Jahrzehnt lang dessen Erscheinungsbild mit ihren atmosphärisch dichten, oft ungewöhnlich arrangierten Musikerportraits. 'American Music' ist eine hochkarätige Sammlung von Aufnahmen - Portraits und Bilder von den Kultstätten des Pop und Rock, die teils aus dem Leibovitz-Archiv stammen: beispielsweise Portraits von Roy Charles, Aretha Franklin, Elvis Preisley und Tina Turner. Der weitaus grössere Teil entstand jedoch speziell für dieses Projekt: Annie Leibovitz reiste kreuz und quer durchs Land, fotografierte B.B. King in seinem Geburtsort im Mississippi Delta, Johnny Cash auf seinem Stammsitz in Virginia, Willie Nelson in seinem Studio in Texas. Und sie portraitierte Bruce Springsteen, Beck, Bob Dylan, John Bon Jovi, Eminem, Joni Mitchell, Philip Glass, Anita O'Day, Quincy Jones, Chuck Berry und viele andere mehr. Mit Essays von fünf Stars der Szene - Pattie Smith, Rosanne Cash, Lou Reed, Beck und Mos Def - und Kurzbiographien aller in diesem Band versammelten Musiker. King, Eminem, Johnny Cash, John Bon Jovi, Joni Mitchell, Dr. Der, and many, many more. **ROB DURKEE: THE COUNT-DOWN OF THE CENTURY** 0041 696 € 37.50  
 □ English, Hardback, 16x24 cm, 354 pages; "American Top 40", the radio program cofounded in the 1960s by host Casey Kasem and producer Don Bustany, developed a winning formula of countdown and commentary that has influenced all the "top ten" hits shows since. Now, for the first time, the true behind-the-scenes story of the show's development and growth into the most popular radio show in the country is told through the people who made it happen. The author traces the development of top-40 radio to "Your Hit Parade" and other early radio shows. He then shows how Kasem cleverly blended trivia, little-known facts, and compelling stories to give his listeners the "stories behind the songs" that they loved the most. Kasem's unique personality and presentation helped transform the way radio was programmed across the country - and had a huge impact on how hits were made and who became pop stars.

 □ English, loose pages(clipped)/lose Blattsammlung(kopiert), 21x30 cm, 86 pages; American Wax Facts will comprise a multi-volume set aimed at music researchers who share my certain knowledge that the 1950's were the Golden Age of popular music. The intention is to cover the period from 1950 to 1979 concentrating on hillbilly, country blues, rhythm & blues and rock 'n' roll. It is important to note that the later volumes will still concentrate on artists and musical styles popular in the 1950's. There will be minimal coverage of surf, rock or later trends. American Wax Facts provides a week by week summary from original sources such as trade & general newspapers, music & radio station magazines. Topics such as artist biographies, songs, labels, new releases, radio & TV shows, films, disc & concert reviews, polls, juke boxes, financial & statistical surveys, predictions and anything else which appears relevant or interesting are covered. Much of the information has been unavailable since its original appearance and the compilations update most articles and books published on these subjects in the past 40 years.

 □ 88 pages/Seiten; 30/22cm; Hardback Spitzenbilder von Benny Joseph. Das Buch konzentriert sich auf Houston. Superb pictures by Benny Joseph. The book focuses on Houston.

Houston in the 1950s and 1960s was a lively to be if you liked rhythm and blues. With top musicians and an appreciative African American community, the new musical style flourished. When entrepreneur Don Robey started Peacock Records in

1949, the city began to draw the best recording artists in the country - from Bobby Bland to Willie Mae Thornton. Benny Joseph, a local black photographer, produced many of their promotional portraits, and his photographs have become a rare and important historical record of Houston's considerable role in the growth of rhythm and blues. Joseph also covered the day-to-day activities of the African American community, including local civil rights events. Through his camera we see notable who came to Houston, teen dances at the Eldorado Ballroom, and the first remote broadcasts from radio station KCOH. In putting together this book, Alan Govenar and Benny Joseph reviewed more than ten thousand negatives before finally selecting those ones that best illustrate the range of Joseph's work. The result is a stunning commentary on life in Houston at a time of critical social change and artistic creativity... last copies - collectors item!

□ Folk and blues remain vibrant and alive today and have been enjoying a new boom as audiences rediscover such blues performers as Robert Johnson, John Lee Hooker, and Bessie Smith, and folk artists like Woody Guthrie, Pete Seeger, and Bob Dylan. The excitement and impact of these forms are the focus of this extensively revised and updated third edition of Folk and Blues: The Encyclopedia. It covers a spectrum of artists, from the pioneers at the turn of the twentieth century to the stars of today: Keb' Mo', Altan, the Chieftains, Ani DiFranco, Ry Cooder, Sarah McLachlan, Wilco, John Prine, and Los Lobos, to name a few. Folk and Blues: The Encyclopedia contains: Interviews with many of today's top artists Extensive awards information from the Grammys, the Folk Alliance, and the Blues Foundation Photos of the most important folk and blues artists of twentieth century The first comprehensive index of folk and blues music Unlike any other book currently on the market, Folk and Blues: The Encyclopedia covers the rich roots of American music, as pioneered by African

Americans and European immigrants, and its influence on almost every facet of today's popular music around the globe.

This encyclopedia provides insight into why folk and blues are distinct fields of their own but interact in many ways to provide important additions to America's musical heritage. This is a unique and highly readable reference that belongs on the desks of music critics and music lovers everywhere.

□ English, Paperback, 15x23 cm, 228 pages, rare b&w photos; 'Escott mixes careful reporting, a sympathetic viewpoint, with wry and occasionally cutting humor that makes for fast and interesting reading.' - The Boston Globe, reviewing Hank Williams: The Biography Profiles of country, pop, and rockabilly stars, including Roy Orbison, Wanda Jackson, and Jim Reeves Lavishly illustrated with wonderful period photographs ROADKILL ON THE THREE-CHORD HIGHWAY is a new collection of Collin Escott's wonderful biographies of the legends of rock, rockabilly, and country. Escott is world renowned for telling the stories of not only the major stars, but also the Tex Nobodies that populate the back alleys of American music. For every struggling singer or songwriter who breaks through, there are hundreds more who labor in the shadows, victims of bad luck, bad timing, or themselves. It's the real stories, not the publicists' confections, that concern Colin Escott. We hear Perry Como's story in his own words: It wasn't all smooth. We learn about the astonishing twists and turns in Roy Orbison's life and the stories behind the songs we know so well. And we go down with Vernon Oxford, the last great honky tonk singer, who singer, who came to Nashville just a little too late. These are stories for anyone who loves what Escott calls 'little songs from great sorrows.' They will fascinate even the most casual fan of popular music, and they're told here in sympathetic, engaging, and illuminating prose.

Delving into everything from harmony to hardware, Michael Hicks shows what makes this music tick and what made it unique in its time.

**SONIC COOL****JOE S. HARRINGTON: LIFE & DEATH OF ROCK & ROLL** 0042 101 € 29.90

□ 2002, English, Paperback, 15x23 cm, 596 pages, few b&w photos; In the Tradition of Nick Tosches, Tom Wolfe, and Lester Bangs comes an epic and riveting of rock 'n' roll that reads like a novel. 'Sonic Cool' presents the saga of rock as the closest thing we have to genuine myth in the modern world and it is the first book about rock to be written in the spirit of rock. Immense, fierce, opinionated, and hilarious, the book portrays rock as a movement of near-religious proportions and masterfully presents it against a backdrop of social factors and important events such as the invention of the electric guitar, the jukebox, LSD, the 12-inch phonograph record, the Seventies recession, the Reagan revolution, the Internet, and the 9/11/01 attacks. This is the history of rock as it's never been told, as the legend of a massive cultural movement, one that had meaning, but ultimately fell prey to its own worst inclinations. In many ways Harrington's book reads like the raging polemics of Leraí Jones (aka Amiri Baraka). Radically egalitarian in its assessments-towering figures such as Lennon, Dylan, and Cobain stand alongside lesser-known but equally influential artists like the MC5, the Misfits, and Joy Division-Sonic Cool is gripping reading for anyone who ever believed in the music.

**STATION TO STATION**

**MARC WEINGARTEN: ROCK & ROLL ON TELEVISION** 0041 807 € 24.90

□ English, Paperback, 15.5x23 cm, 320 pages, rare b&w photos; Television and rock 'n' roll: a combative yet profitable marriage of convenience that shapes fashion, attitude, talk, and music itself. In STATION TO STATION, the first book to fully chronicle the evolution of televised rock, renowned music

journalist Marc Weingarten brings to life all the defining moments in its history, from Elvis and The Ed Sullivan Show to Madonna and MTV. Covering six decades of culturally significant performances, personalities, and shows, and drawing on dozens of in-depth interviews with key players at every level, Weingarten reveals how rock on television synthesized the burgeoning youth culture and transformed the face of middle-class America. He explores American Bandstand's stranglehold on the pop-radio charts in the 1950s, the rise and demise of artists via Soul Train and Saturday Night Live, and the impact of radio programmer Bob Pittman's idea for an "all music video" channel. Whether discussing players (Dick Clark, Don Kirshner, Don Cornelius), prefab teen idols (Fabian, The Monkees, The Partridge Family), or showstoppers (The Beatles, Michael Jackson, Run-DMC) STATION TO STATION is a thoroughly engaging and comprehensive look at the intersecting realms of popular culture's two most influential artforms.

□ English, Paperback, 15x23 cm, 288 pages; "Swing It!" is a celebration of jivi, that exuberant, irrepressible, and entirely infectious spirit found in such good-time anthems as "Are You Hep to the Jive?" "Jump, Jive 'n' Wail," and "Hit That Jive, Jack." It chronicles the rich and colorful history of that quintessentially American sound, taking us on a journey from its pioneers to today's retro swingers through its Golden Era. Along the way it illuminates the hip contributions made by beboppers, jump blues hounds, N'awlins jivers, the white connection, and women jivers. "Swing It!" includes a hilarious, too-hip-for-the-room foreword by Tim Hauser (founder of the Grammy Award-winning Manhattan Transfer), extensive discographies, a comprehensive A-Z jive glossary, and vintage photos of jive's most charismatic entertainers.

**TAMBOURINE MAN**

**POP LYRICS & PHOTOS** 0041 878 € 29.80

□ 19,2 x 28,5 cm, gebunden, ca. 160 Seiten, 60 Photographien in Farbe, Songtexte der 60er und 70er Jahre. Vorwort von Elke Heidenreich. "Those were the days" damals, "in the Age of Aquarius", when we were "born to be wild" and "on the road again," after "a hard day's night" in the "house of the rising sun". Jeder kann die Melodien mitsummen, aber wer kennt schon den vollständigen Text? Unsere Sammlung von Songtexten aus den 60er und 70er Jahren macht Schluss mit diesem Dilemma. Hier sind sie alle Schwarz auf Weiss, im englischen Original und einer deutschen Linearübersetzung: die legendären Songs von

Fleetwood Mac, den Supremes, Bob Dylan, den Mamas and Papas, Procol Harum, Otis Redding, Janis Joplin, Jim Morrison, den Beach Boys, Mary Hopkins, Jimi Hendrix, Steppenwolf, den Kinks - und natürlich die greatest hits der Beatles und Rolling Stones. Erkennbar wird auch die poetische Qualität, die die Songtexte in diesem Goldenen Zeitalter der Popkultur auszeichnete und die oft genug im lautstarken Beat der Musik oder der politischen Ereignisse unterging. Nostalgie? Ja sicher, aber neben der vielleicht etwas wehmütigen Erinnerung an Yesterday auch ein

Lesevergnügen und Augenschmaus: die schönsten Portraits und Schnappschüsse unserer Idole begleiten ihre schönsten Songs. "Those were the days..." back then, in the "Age of Aquarius," when we were "born to be wild" and "on the road again," after "a hard day's night" in the "house of the rising sun," We're all humming the tunes, but we never know the words. Here they are: the complete lyrics to the most famous 60s and 70s pop songs. Enhanced by the most beautiful portraits and snapshots of our idols, "Tambourine Man" is a visual and nostalgic feast. English/German text.

"The In Crowd" charts and celebrates the extraordinary story of, what was once, one of the best kept secrets of the early '70s. The first volume begins with the hip R&B collectors, mods and Motown fans who took the Golden Era of '60s Soul as a blueprint for this astonishing culture. 0041 006

€ 29.90

□ English, Paperback, 21.5x28 cm, 288 pages/Seiten, completely illustr. with hundreds of rare b/w photos, labelshots and article reprints; The American rockabilly movement of the mid-1950s captured the imagination and spirit of young people everywhere. The magical blend of country music and the blues-these divergent sounds merged to create rock 'n' roll-is personified by such vocalists as Carl Perkins, Bill Haley, Gene Vincent, and, of course, Elvis Presley. But Presley soon took other musical paths, and rockabilly sound ultimately faded. In this detailed book, author Randy McNutt de-scribes the music and artists, gives the secrets by behind the songs and tells us how the

early rockabilly records were made. Through oral histories and narrative pieces, the author looks closely at why the music was suddenly popular. At the time, the music was only a feel-ing, a seed of youthful rebellion and expression that would not spawn its own poets until late. So this book is a tribute to the rockabilles themselves, known and unknown. May their music lives forever.

BRIAN A. RUSHGROVE: THE  
 TEDDY BOY STORY 0041 929 € 29.95

□ English, Paperback, 17x25 cm, 112 pages, illustrated with rare b/w photos and newspaper clips; For over forty years, I've been proud to be called a teddyboy. My motives for joining the cult, symbolised by a drape jacket and rock 'n' roll music were innocent enough, but the beginnings of the teddyboy movement were rather more sinister as I discover over two decade ago, when I went in search of the roots of the Edwardian style I had adopted. It has now led to this book. It's a fascinating social document that traces the early teds, right through today. (Brian A. Rushgrove)

**BEATLES & OTHERS****DAMALS IN HAMBURG 1967** DVD 011967 € 14.95

□ Thomas Struck über seinen Film: 1966 war ich 23 Jahre jung und Reporter beim NDR in Hamburg. Ich wollte einen Film über das Phänomen BEATLEMANIA, dem auch ich erlegen war, machen. Die Musikredaktion des NDR Fernsehen lehnte mein Projekt ab. Begründung: 'Das ist was für Halbstärke, musikalisch ohne Niveau und nur eine verübergangende Masche'.

Glücklicherweise bekam ich dann von Hessischen Rundfunk, durch dessen Redaktion Dünste der 'Frankfurter Schule' wehten, den Auftrag für eine Dokumentation - allerdings mit der Auflage, den soziologischen Aspekt der Beat-Bewegung herauszustellen. So entstand dieser Film mit kommentarlichen Peinlichkeiten, mit Erinnerungen an St.Pauli, der STAR-CLUB und da TOP TEN, mit Interviews mit Manfred Weisleder, Peter Eckhorn und Freunden der Beatles aus der Hamburger Zeit.

Die DVD ist also gleichsam akribisch erarbeiteter Beitrag zur Popmusikarchäologie und exklusives Fanitem. Nie zuvor wurde das Leben der Musikikone Buddy Holly so lückenlos und penibel recherchiert dargestellt. Als besonderes Extra liegt der DVD eine CD Compilation bei, auf der musikalische Weggefährten und Freunde (Jerry Allison, Joe B. Mauldin, Sonny Curtis, Ray Rush, Jack Neal, Tommy Allsup und Sonny West) die - ihrer Meinung nach - wichtigsten Aufnahmen von Buddy Holly zusammengetragen haben.

He so electrified the audience at Monterey that the world of pop opened for him. From that point on Otis' audience transcended all categories. The 1966 Stax-Volt European Tour contains performance footage of the first major multi city tour of America's R&B superstars. Superb performances by Sam & Dave and Otis Redding hypnotized the European kids again opening up new audiences for Otis and propelling him to stardom.

Discovering that her ticket out lies within herself, she finally ventures on the road to stardom, far away from her controlling manager/boyfriend and troubled past. *	FREED'S BIG BEAT)	DVD 115638	€ 12,90
---	-------------------	------------	---------

□ (2004/EMS) PAL, Farbe, Code 2, DD 2.0 Deutsch & English, 4:3, 85 Min; mitreißender Rock & Roll Spielfilm über das Leben von Alan Freed (nach dem Buch "Big Beat") mit Fabian, Bobby Rydell, Paula Abdul u.a. nur Originalmusik im Top Sound - ein

Muss für die Sammlung - 'Rocking All Over The World!' Mitte der 50er kam es in Amerika zu einer gewaltigen Revolution, die zwar friedlich verlief, aber vielen Weissen den Angstschweiß auf die Stirn trieb: die Jugend entdeckte den Rock And Roll. Sein Vater war Alan Freed, der als erster weisser DJ die verpönte 'Negermusik' über den Äther verbreitete und sich damit viele Feinde schuf, aber zum Superstar bei den Teenagern wurde. Leider vertraute er den falschen Leuten und seine nicht so ganz legalen Deals mit der Mafia setzten seiner Karriere ein abruptes und dramatisches Ende. Die Musik aber, für die er gekämpft hatte, setzte ihren rassen- und grenzübergreifenden Siegeszug um die Welt fort. Bio- und Filmografien der beiden Hauptdarsteller (Judd Nelson & Mädchen Amick), Alan Freed Biografie, Künstlerportraits der gezeigten Rock-Stars (Jerry Lee Lewis, Little Richard, Buddy Holly, Bo Diddley, Frankie Lymon, Bill Haley, Jackie Wilson), nicht identisch mit dem 50er Jahre Film Mister Rock & Roll (HF 1007)
