Liebe Freunde von Bear Family / Dear Friends of Bear Family

Nun sind wir schon beim vierten Katalog in diesem Jahres ange­lan­gt, dies­mal mit dem Hauptaugenmerk auf Rhythm'n'Blues und Vocal Groups. Doch auch hier können wir nicht alle Einzeltitel abdrucken, da dies den Rahmen sprengen würde. Diesbezüglich weisen wir auf unsere Webseite (www.bear-family.de), (dort sind fast alle Einzeltitel erfasst) und sonst auf unsere Auftragsbearbeitung (Tel: 04748-82160) hin.

Da Bear Family ja nicht unbedingt für Rhythm'n'Blues Veröffentlichungen bekannt ist, möchten wir nochmals darauf gesondert hinweisen, denn es ist sicherlich für jeden etwas interessantes dabei. So gibt es z.B. neben einer ganzen Reihe von Boxen wie Smiley Lewis (BCD 15745), Frankie Lymon & The Teenagers (BCD 15782), Piano Red (BCD 15685) und Fats Domino (BCD 15541) auch viele Einzel-CDs wie Little Richard mit seinen frühen Aufnahmen (BCD 15448), Jesse Stone, der Komponist vom Klassiker *Shake, Rattle And Roll* (BCD 15695), Melvin Smith (BCD 15703) u.v.m

Unsere erfolgreiche Blowin' The Fuse-Serie (BCD 16700 – BCD 16715) natürlich nicht zu vergessen!

In der Revivalecke gibt es diesmal eine ganze Reihe an Restbeständen der Firma Vinyl Japan, welche unter CD JR (CDs).. oder JRLP (LPs)... zu finden sind. Also, jetzt zugreifen, da das meiste schon gestrichen ist. Des weiteren haben wir diesmal viele Sonderangebote, die sich zwischen 6,90 EUR und 10,90 EUR bewegen und fast ausnahmslos Originalaufnahmen sind.

Außerdem gibt es in diesem Katalog eine Vinylliste mit vielen interessanten Veröffentlichungen.

So, nun wünschen wir allen viel Spaß beim Stöbern, und nicht vergessen: Sie können Bestellungen aus diesem Katalog natürlich auch mit den älteren Katalogen, Newslettern und Flyern kombinieren.

Das Bear Family Mailorder Team, im August 2006

Now we already have catalog no.4 for this year, which has its emphasis on Rhythm'n'Blues and Vocal Groups. Due to lack of space we can't reprint all track listings, but if you have any questions always feel free to use our website www.bear-family.de for the search of single tracks or get in touch with our sales staff for help (Tel: 0049-4748-82160).

Bear Family Records is mostly known because of its Country Music and Rockabilly releases, but there is a big bunch of Rhythm'n'Blues CDs which range from boxsets of artists like Smiley Lewis (BCD 15745), Frankie Lymon & The Teenagers (BCD 15782), Piano Red (BCD 15685) and Fats Domino (BCD 15541) to single CD releases like Little Richard's early output (BCD 15448), Mr. Shake, *Rattle & Roll* aka Jesse Stone (BCD 15659), the R'n'B shouter Melvin Smith (BCD 15703) a.m.o.

And don't forget our successful Blowin' The Fuse series (BCD 16700 – BCD 16715)!

In the Revival section we have some Vinyl Japan issues on CD and vinyl which are deleted!

You'll find them under CD JR ... or JRLP ...! Call us soon, because these are the last copies!

Also included are many special offers which range from EUR 6,90 to EUR 10.90! All special offers are recorded from the original sources, mostly from EMI and SONY/BMG!

Last but not least we have a vinyl listings in this catalog with many interesting older and new releases!

That's it from our side. We wish a lot of fun browsing through this catalog and please remember: you may combine orders from this catalog with items from previous ones, newsletters and flyers. Stay tuned!

Your Bear Family Mailorder Team, August 2006

Dieser Katalog mit aktuellen Neuerscheinungen enthält nur einen kleinen Auszug unseres Gesamtprogramms. Im Laufe eines Jahres veröffentlichen wir jeweils fünf Mailorder-Kataloge (jeder mit einem eigenen Genre-Schwerpunkt) und zwischen den Katalogterminen Flyer mit brandaktuellen Angeboten. Sie können jederzeit Artikel aus sämtlichen Katalogen und Flyern der vergangenen zwölf Monate bestellen. Die meisten Produkte sind stets ab Lager lieferbar. Sonderangebote können jedoch zwischenzeitlich ausverkauft sein. Und wenn sie etwas nicht finden können, fragen Sie uns bitte. Wir können (fast) alles besorgen. Unser stets aktualisiertes komplettes Lieferprogramm finden Sie auf unserer Website www.bear-family.de.

This catalog with new releases represents just small excerpt from our entire stock. During the course of a year we are publishing five mailorder catalogs, each focussing on a certain musical genre. In between catalog publications we are mailing flyers listing new releases, on a regular basis. You may always combine orders from all catalogs and flyers that were issued within the last twelve months. Most items are available ex-warehouse, but special offers sometimes are available for a limited amount of time, only. If you can't find certain releases, please feel free to ask. Bear Family is able to obtain (almost) every in-print release. For a complete listing of our entire catalog, please refer to our website.

It's so easy in this digital age for musicians to record their own CD. Good friends sitting in a circle, pouring their hearts out and having a party in the zero pressure atmosphere of my Hill Country home on the shores of Lake LBJ is exactly what I did with this collection of Texas music from me and my old friends. 'No Pain' is a compilation of 18 new and old songs I've written the years with the exception of one Honky Tonk standard written by my song writing hero, the late great Harlan Howard. The concept for this album is an idea I've been kicking around for some years now and I hope you have as much fun listening and dancing around as we had bringing it to you. - Michael Ballew -

□ (2004 'Compadre') 9 tracks Kevin Kinney, der Ex-Leadsänger der Atlanta-Band Drivin'n'Cryin', hat früher viel mit Peter Buck von R.E.M. zusammengearbeitet. Damals spielte Kinney primär Rock. Jetzt, auf seiner fünften Solo-LP, hat er sich eher dem Folk-Rock verschrieben, ein Stil, der zu seiner Stimme und seinem Gitarrenspiel blendend passt. Übrigens: Alle neun Songs sind auch in dem Film 'Lightning Bug' von Regisseur Robert Hall zu hören / Kevin Kinney, ex-leadsinger of Atlanta-band Drivin'n'Cryin' used to work a lot with R.E.M.'s Peter Buck. In those days he was playing rock. Now on his 5th solo effort he has more or less switched to folk-rock, a style that suits his voice and his guitar playing well. By the way: All nine songs are featured in the film 'Lightning Bug', directed by Robert Hall. (ig)

TEXAS OUTLAWS

- CD COMPA 5239 € 17.90
 (2003/Compadre) 18 tracks Texas Outlaws is what the name suggests - a collection of songs by great Texas "Outlaw" songwriters. It's a solid album, which includes Pat Green, Robert Earl Keen, Billy Joe Shaver, Roger Creager and a surprising rap duet by Willie Nelson and Lil'Black. There are 18 songs on the record, some of which are live and others that are studio recordings, in addition to several previously unreleased tracks. They play together very well however, and all in all is a good album for your collection. Texas Outlaws ist wie der Name verspricht: eine Sammlung von Liedern gesungen von den großen Texas "Outlaw" Songschreibern, wie z.B. Pat Green, Robert Earl Keen, Billy Joe Shaver, Roger Creager und ebenso dabei ist auch ein überraschendes Rapduet mit Willie Nelson und Lil'Black. Insgesamt handelt es sich um 18 Stücke, die z.T. Live oder im Studio aufgenommen wurden. Ein gutes Album für Ihre CD-Sammlung.

 ☐ (2005/SRV) 14 tracks Nachdem man sich 15 Jahre von THE RAGTIME WRANGLERS live die Ohren hat durchblasen lassen, gibt es nun 'Groove A Tune', ein Album, das endlich die instrumentale Magie der Rotterdammer auch zu Hause wirken lässt. Die Mannen um Joe Sixpack, der szenieintern als einer der Top 5 Rockabilly Gitarristen gilt, lassen hier einen Hit nach dem anderen von der Leine, angefangen mit dem schweisstreibenden und gnadenlos jivenden 'The Manhunt', über das sanft

bummelnde 'Groovesville' zum melodischen und wunderschön instrumentierten 'Blue Smoke' und der Weltklasse Coverversion des Jimmy Bryant Songs 'Low Man On A Totem Pole', die sich mit tödlicher Sicherheit zum grössten Hit und Tanzflächenfüller seit GO CAT GO'S 'Please Mama Please' entwickeln wird. Wer bisher dachte, das sich Instrumentals alle gleich anhören, der wird mit 'Groove A Tune' eines Besseren belehrt. Oder warum sind Bands wie die 4 CHARMS oder BIG SANDY grosse Verehrer der RAGTIME WRANGLERS?

BEAR TIPS / STAFF SELECTIONS

von /by

Christian Schweder**"The King & DeLuxe Acetate Series" by Ace Records**

Vor einiger Zeit erwarb Ace Records die Rechte an den 16-Inch-Azetaten von King und DeLuxe, die zwischen 1944 und 1955 aufgenommen wurden. Leider wurden sehr viele Azetate bei einem Lagerbrand zerstört. Die restlichen wurden zum Ace-Hauptsitz nach London geschafft und von Tony Rounce und Peter Gibbon gesichtet. Sie fanden jede Menge unveröffentlichtes und zum Teil unbekanntes Material. Daraus entstand die „King & DeLuxe Series“ mit bisher fünf Veröffentlichungen: Delmore Brothers (Besprechung im Katalog 03/06), Grandpa Jones, York Brothers, Roy Brown und Ivory Joe Hunter. Für die vorliegenden CDs wurde das Master direkt von den Original-Azetaten gezogen, und die Qualität ist herrausragend. Jede dieser Veröffentlichungen garantiert einen unbedingten Hörgenuss!

**GRANDPA JONES
Steppin' Out Kind – The King & DeLuxe
Acetate Series**

CD CHD 1098 EUR 17.75

1943 gründete Syd Nathan sein famoses King Label und nahm einige 78er Platten von schlechterer Press- und Aufnahmequalität auf. Die Band, die auf diesen Aufnahmen zu hören war, war umso bemerkenswerter und nannte sich "The Sheppard Brothers" mit einem gewissen "Bob McCarthy" an der Gitarre. Hinter diesen Pseudonymen verbargen sich tatsächlich Louis Marshall, besser bekannt als Grandpa Jones, und Merle Travis. Aufgenommen wurde auf Glas-Azetaten, da sämtliches Metall ob des 2ten Weltkrieges rationiert war. Wenige dieser frühen King-Glas-Azetate haben die Zeit überdauert und sind, unter anderem, auf dieser CD zu hören. Ohne Zweifel sind die Highlights dieser CD seine Aufnahmen mit Merle Travis. Nicht weniger als zehn Titel des Duos sind auf dieser Zusammenstellung zu finden. Merle Travis ist aber nicht der einzige, großartige Wegbegleiter Grandpas, der auf dieser CD zu finden ist. Man bekommt ebenfalls die spätere Nashville-Session-Legende Billy Grammer und Hank "Sugarfoot" Garland zu hören. Und einen Mann, dessen eigene King-Aufnahmen legendär sind, den großartigen Zeb Turner! Es gibt Gesangsduette mit Cowboy Copas zu hören. Ihre Version des Hank Williams Klassikers "Move It On Over", darf man getrost als „Hammer“ bezeichnen. Natürlich sind die Delmore Brothers auch mit zwei sagenhaften Songs mit von der Partie. Aber das bemerkenswerteste an dieser CD ist Grandpa Jones eigenwillige Persönlichkeit! Also, wer den

Some time ago Ace acquired the rights for the King and DeLuxe 16 inch acetates, which were recorded between 1944 and 1955. These acetates, unfortunately many of them were destroyed in a warehouse fire, were brought to Ace's headquarters in London and sifted by Tony Rounce and Peter Gibbon. They found a lot of unused and unknown material. From this they created the "King & DeLuxe Series", containing five releases up to now: Delmore Brothers (reviewed in catalog 03/06), Grandpa Jones, York Brothers, Roy Brown and Ivory Joe Hunter. The sound was drawn directly from the original acetates and the quality is outstanding. Every single release guarantees an absolute pleasure!

Ur-Rock-A-Billy, frühen Bluegrass oder einfach schnörkellosen Hillbilly zum Glückhsein braucht, sollte sich diese CD gönnen. Es lohnt sich!

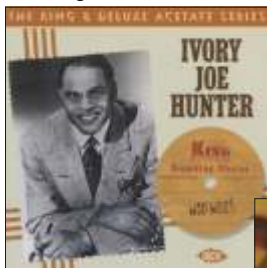

In 1943 Syd Nathan founded his superb King Records label and started with several 78s of bad press and recording quality. The band you could hear on the records was remarkable and called themself "The Sheppard Brothers", including a guy called "Bob McCarthy" playing guitar. Actually, Louis Marshall, better known as Grandpa Jones, and Merle Travis where hidden behind this pseudonyms. They recorded on glass-based acetates, since metal was hard to get during times of the second world war. Only a few of these early acetats survived, and you will find them on this CD. Without any doubt, the recordings with Merle Travis are the highlights on this CD. You will find no less than ten songs feat. the duo on this CD. But Merle Travis was not the only accompanying musician you will find on this CD. You will also hear future Nashville session legend Billy Grammer, and Hank "Sugarfoot" Garland. And also a man who's own King recordings are legendary, the great Zeb Turner. Further on, we have duets with Cowboy Copas. Their combined version of Hank Williams' "Move It On Over" is outstanding. Of course the Delmore Brothers are included with two fantastic songs. But most remarkable on this CD is, of course, the original personality of Grandpa Jones himself. So, anybody looking for vintage Rock-A-Billy, early Bluegrass or just straight Hillbilly should get himself this CD. It is worth buying it!

**Ivory Joe Hunter
Woo Weel – The King & DeLuxe Acetate
Series**

CD CHD 1092 EUR 17.75

Diese Veröffentlichung ist ein wahrer Leckerbissen für jeden, der auf R&B-Aufnahmen der 40er Jahre in kleiner Besetzung steht. Kennt man von Ivory Joe Hunter

größtenteils seine Popballaden, die er unter anderem für MGM und Atlantic in der 50ern aufnahm, werden auf dieser CD hauptsächlich seine Mid- und Uptempo Aufnahmen für King

präsentiert...und das in einer Soundqualität, wie man sie seit dem Tag ihrer Einspielung nicht mehr gehört hat!

Großartige Boogies, Jumps und verdammt coole Grooves untermalt Ivory Joe mit seiner samtig weichen Stimme, die fast an einen Country-Sänger erinnert. Daß diese Kombinationen so überzeugend funktionieren erklärt sich spätestens, wenn man sich die Besetzungslisten anschaut. Dort findet man Johnny Moore's Three Blazers mit Charles Brown am Klavier, Ben Webster ist auf zwei Titeln zu hören und, was äußerst bemerkenswert ist, einige Mitglieder des damaligen Duke Ellington Orchesters: Johnny Hodges, Oscar Pettiford, Ray Nance, Tyree Glenn, Russell Procope und Sonny Greer! Wahnsinn, oder?

Gemastert von den Original-Azetaten, ohne irgendwelche Overdubs oder Echos hat man das Gefühl, die echten 78er zu hören, wovon drei auch noch unveröffentlicht waren. Das 11-seitige Booklet versorgt uns, wie man es bei Ace gewohnt ist, mit spannenden Hintergrund-Informationen. Der Opener der CD ist die wunderbar jazzige Uptempo-Nummer „I Like It“ und dem kann ich mich nur anschließen!

This release is a real pleasure for everybody who loves 40s small combo r&b. Most of Ivory Joe Hunter's recordings we know, are popballads from the 50s for MGM and Atlantic. But on this CD you will find mostly mid and uptempo tracks for King...in sound quality that has never been heard since the days of the sessions! Great boogies, jumps and real cool grooves, supported by Ivory Joe's velvet, soft voice that almost reminds me of a country singer. Why this combination works so convincing, will be explained as soon as you read the discography. You will find Johnny Moore's Three Blazers including Charles Brown on the piano, Ben Webster plays on two tracks and, what is really remarkable, some members of the Duke Ellington Orchestra: Johnny Hodges, Oscar Pettiford, Ray Nance, Tyree Glenn, Russell Procope and Sonny Greer! Crazy, isn't it?

Mastered from the original acetates, without any overdubs or echos, you will have the impression to listen to the real 78s and three of them unissued. The 11 page booklet gives, like usually, really thrilling background

informations. The opener on this CD is the wonderful jazzy uptempo track "I Like It", and that's where I have to agree!

**Roy Brown: Good Rockin' Brown
The King & DeLuxe Acetate Series**

CD CHD 1072 EUR 17.75

Für die erste Veröffentlichung in dieser Serie suchten sich Tony Rounce und Peter Gibbon eine der größten R&B Legenden aus - Roy Brown. Die CD präsentiert von jedem

Azetat, das 1947 in Cosimo Matissa's J&M Studio in New Orleans aufgenommen wurde und überlebt hat, einen Titel. Eröffnet wird die Liste von 24 absoluten Blues- Jumpers mit dem bishe r

unveröff
entlic

Alternate Take seines ersten großen Hit's Good Rockin' Tonight.

Diese Version unterscheidet sich abgesehen von der öffentlichen Fassung. Dann noch zwei unveröffentlichte Takes von Mighty Mighty Man und Miss Fanny Brown. Alles in allem enthält die CD 17 (!) unveröffentlichte Einspielungen.

Es gab wohl keinen Moment in Roy Browns Karriere, in dem man ihn anders als großartig hätte bezeichnen können - und diese Aufnahmen gehören zweifellos zu seinen besten. Ein Mitt-Zwanziger, der sich auf dem Höhepunkt seiner Blues-Shouter-Power befindet, mit einer der heißesten New Orleans-Kapellen jener Zeit!

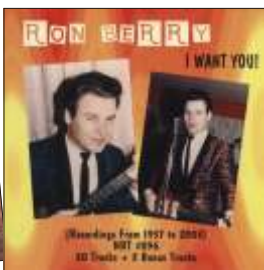

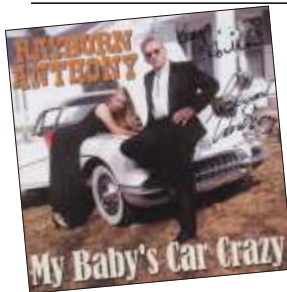

In Planung sind bei Ace Records noch weitere Roy Brown CDs mit unveröffentlichlichem Material. Dann bekommen wir noch spätere Sessions mit dem Tenorsaxophonisten Leroy "Batman" Rankin zu hören. Da bleibe ich in puncto Veröffentlichungs-Datum aber am Ball!

Also, There's A Good Rockin' Tonight!

For the first release in this series Tony Rounce and Peter Gibbon have chosen one of the greatest r&b legends - Roy Brown. The CD presents one version of every surviving acetate recorded in 1947 at Cosimo Matissa's J&M studio in New Orleans. The list of 24 real Blues Jumpers opens with a previously unissued alternate track of his first great hit Good Rockin' Tonight. This version is quite different from the issued one. Further it includes two unissued takes of Mighty Mighty Man and Miss Fanny Brown. Altogether the CD contains 17 (!) previously unissued performances.

Actually there was never a moment in Roy Brown's career when he could be called anything else than great - and these recordings definitely belong to his best. A man in his mid-twenties at the top of his blues shouting power, backed by one of the hottest bands in New Orleans! Ace is planning two further Roy Brown releases of later, unissued material including the tenor sax man Leroy "Batman" Rankin. I will keep my eyes wide open for the release date!

So, There's A Good Rockin' Tonight!

BLOWING THE FUSE
R&B CLASSICS THAT ROCKED THE JUKEBOX
VOLS. 1-16: 1945-1960

**Mit dieser Serie setzt
 Bear Family einen neuen
 Standard für R&B-
 Wiederveröffentlichungen!**

**With 'Blowing The Fuse',
 Bear Family Records sets a
 new standard for
 R&B re-issues!**

Zusammengestellt von DJ Dave 'Daddy Cool' Booth, der eine der umfangreichsten R&B-Platensammlungen Nordamerikas besitzt, präsentieren wir Jahr für Jahr auf prall gefüllten CDs die wirklich besten Titel und die komplette Story der goldenen R&B-Zeit, darunter viele Songs, die bislang nicht auf CD erhältlich waren. Aber es gibt natürlich auch die populären Top-Titel des jeweiligen Jahrgangs zu hören.

Um den optimalen Klang zu liefern und sich von den üblichen, minderwertig klingenden Billig-Compilations abzuheben, haben wir ausschließlich die besten Quellen der Originalfirmen verwendet und sorgfältig bearbeitet. Für die Serie haben wir uns außerdem als Verpackung das hochwertige, 2-fach klappbare Digipak ausgesucht. Viele nie zuvor gezeigte Fotos, Hintergrundgeschichten und Kommentare zu Interpreten und Songs kommen in einem opulenten Booklet, Ausgabe für Ausgabe mit jeweils 80 Seiten.

Hand-picked by DJ Dave 'Daddy Cool' Booth, North America's leading R&B collector, these selection present the absolute best music year-by-year, not just the hits. Some of it was never before re-issued on CD. To get the best possible sound, we searched for the very best sources from the original labels. All sides were carefully re-mastered.

Furthermore we have chosen a high-quality double folding Digipac for packaging. Every issue comes with an 80-page booklet, detailed song-by-song notes, stories behind the songs and never-before-seen photos.

Other than most companies, Bear Family uses not only the out-of-copyright titles released prior to 1956. We are continuing the story up to the year 1960. All songs are officially licensed, in other words: all repertoire owners will be paid accordingly.

Blowing The Fuse

Anders als die meisten Firmen verwendet Bear Family nicht nur die zwischenzeitlich rechtsfrei gewordenen Titel bis 1956, sondern hat bis zum Jahrgang 1960 sämtliche Songs offiziell lizenziert - das heißt: Die Rechtsinhaber werden korrekt bezahlt.

James Austin, Vizepräsident und A & R von Rhino Entertainment/Warner Music war absolut begeistert und ließ verlauten: "Man, 'Blowing The Fuse' is the best collection of R&B ever!!!"

Und so spricht die Presse:

"Diese grandiose Serie zur R'n'B-Historie setzt Maßstäbe. Mit profunder Kenntnis und absoluter Liebe zum Detail sind die Digipacs authentisch gestaltet, mit beinahe enzyklopädischen Booklets voll rarer Fotos, Plakate und Plattenhüllen plus Kommentaren zu jedem Song und Künstler, und erst die Musik! Die alten Stücke sind klanglich derart penibel restauriert, dass ihr stolzes Alter nur selten auffällt."

Audio (D)

"Informativ und gründlich - bei Bear Family Records kann man stolz sein auf diese Serie!"

Rolling Stone (D)

James Austin, Vizepräsident and A & R-manager of Rhino Entertainment/Warner Music was totally impressed and said: "Man, 'Blowing The Fuse' is the best collection of R&B ever!!!"

Here's what the press wrote:

"If you listen to all CDs in sequence, you understand both historical integrity and the energetic innovation of a post-war generation. The booklets are fabulous, with superb pictures and fascinating, well-written information by Colin Escott, surely also superb sound quality."

Now Dig This (UK)

"A true giant of the reissue world!"

Juke Blues (UK)

"This is the stuff that touched it all off!"

EUGENE CHURCH

VERY BEST OF CD CHD 1067 € 17.75
 □ Incredibly, this is the very first album (CD or LP) by Eugene Church, the epitome of cool West Coast R&B. We feature his four singles for the great Class label including the Hot 100 hits: 'Pretty Girls Everywhere' ('36 in 1958) and 'Miami' (#67 in 1959). Also the one single for Rendezvous and an unissued take of 'Miami', all produced by Leon Rene. Included are Church's five King singles, which are almost unknown even though produced by Johnny Otis. There was one R&B hit for King, 'Mind Your Own Business' (#19 in 1961). The compilation is rounded off by Church's earlier recordings for Specialty and Modern (as the Cliques duo with Jess Belvin, including the #45 pop hit 'Girl In My Dreams' from 1956). Will appeal to the many fans of classic R&B, rock 'n' roll and wop. (2005/ACE) 26 tracks with 12 page booklet

OOP SHOOP - THE FLAIR AND MODERN RECORDINGS CD CHD 1082 € 17.75
 □ (2005/ACE) 26 tracks 1953-1957 with 12 page booklet Shirley and The Queens are generally considered to be among the first female R&B groups, and pivotal to the 'girl group' sound that was soon to be embellished by the likes of the Shirelles, Marvelettes etc. Her later work with her brother Cornel's group, The Flairs, represents the apex of 1950s west coast rhythm & blues. This collection features every single recording that Shirley made for Modern and Flair - and, two later singles notwithstanding, pretty much represents her recording career in total. Almost 70% of these tracks have never been reissued on CD - four have never been issued at all.

 □ (1948-50 'Modern') (73:06/25) Von den erfolgreichen Combos an der Westküste war die Band von McCracklin dem Blues am nächsten, ein besonderer Verdienst des exquisiten Gitarristen Bob Kelton. Er beeinflusste die namhaften Nachfolger wie Lafayette Thomas und Johnny Heartsman. Ein phantastische Zusammenstellung! / compared to their competitors like the Nat Cole Trio, McCracklin's Blues Blasters in their original line-up were more blues-based than the others - especially thanks to Bob Kelton, guitarist extraordinaire and inspiration for young players like Lafayette Thomas and Johnny Heartsman. A superb collection of GREAT music!

□ (1948-57) (75:01/28) Vor etwa zwanzig Jahren erschien das Original auf einer Ace-LP. Ergänzt um einige z.T. unveröffentlichte Aufnahmen präsentiert John Mayalls Sohn 'Gaz' jene Titel, die er bei Gossips, einem Club in London, zwischen 1980 und 1994 allwöchentlich auflegte und damit R&B unglaublich populär machte und zugleich einen Rekord aufstellte. Nie zuvor hielt sich eine wöchentliche Deejay- und Dance-Veranstaltung derart lange. Großartige Zusammenstellung! / Great compilation of rockin' blues and r&b, originally released on LP twenty years ago. For fourteen years Gaz (real name Gary Mayall, son of John) was the house deejay at Gossips, a London dance club. He established 'Gaz's Rockin' Blues' on a thursday night. Includes previously unreleased material. GREAT!

□ (1947-57) (59:52/24) Nach dem großen Erfolg der Jive- & Swing-Zusammenstellung (CHD 564) folgt nun nach selbigem Konzept die Version mit R&B und R'n'R, wobei die Frage, was das eine, was das andere ist nicht erläutert wird. Wiederum extrem "tanzbares" material. Viel Spaß! / after the great success of the first volume in this series, here's #2 with a great collection of danceable r&b and r'n'r. Extremely entertaining!

CD CHD 821 € 17.75

CD CHD 844 € 17.75
 □ An entertaining and fun track through the evolution of the ultimate three-chord rock 'n' roll anthem - Louie Louie. True, there have been 'Louie' compilations before but this is definitive - avoiding novelties and instead focusing on the history and influence of the song in the 1950s and 1960s. Love That Louie is divided into 'chapters' that trace the development of this song of songs. We commence with 'The Original Louie' where Richard Berry & The Pharaohs' 1957 Flip Records original gets its first ever legitimate reissue, from master tape.

□ (2003-05 "Tuiton") (40:52/13) Sunny Jeder kennt "Sunny", den riesigen Bobby-Hebb-Hit aus den Sechzigern. Und sonst Wenig. Kaum zu glauben; doch dieses ist erst Hebb's drittes Album. Das bislang letzte erschien 1970(!). Für das neue in Düsseldorf entstandene Album hat er einige von ihm bereits früher eingespielte Songs neu aufgenommen. Das Repertoire reicht hierbei von zwei eigenen Nummern (natürlich auch "Sunny") bis hin zu Covern von Syl Johnson (der Chicagoer

Funk-Klassiker "Different Strokes") über Little Milton ("We're Gonna Make It") zu James Carr, der den Titelsong schrieb. Dazu gibt es soulige Versionen von Hank Williams- und Charlie Rich-Songs. Dieses schöne soulige Album sollte Bobby Hebb helfen, Türen zu öffnen. Gelungen. Kommt mit schönem Digipack / One-hit-wonder Bobby Hebb returns with his first new album in thirtyfive years. Produced in Germany he has re-recorded a couple of his favorites, including — of course - "Sunny", a Syl Johnson tune, a James Carr song, a re-working of Little Milton's 1965 debut single for Chess, a.m.o. Fine comeback album, easy grooving soul music that should open doors for him. Comes with beautiful digipack.

IT'S HARD BUT IT'S FAIR- KING HITS & RARITIES CD CHD 1038 € 17.75

□ (2005/ACE) 26 tracks with 16 page booklet Led by the fantastic lead vocals of Johnny Tanner and the stinging guitar of Lowman Pauling, the gospel-infused harmonies and the vibrant recordings of the '5' Royales were and still are integral to the metamorphosis of R&B into soul. Pauling was and remains the idol of Stax's premier guitarist Steve Cropper, who has written a brief note for this CD that we feature in the booklet. Billy Vera has also written a piece for this project. 'Dedicated' contains all of the Royales' major King R&B hits, including two all-time classics of Rock 'N' Roll in 'Think' (revived by James Brown in the 70s) and 'Dedicated To The One I Love'.

 □ Als Vorläufer der Four Seasons bestanden die Lovers aus Frankie Valli, Nick und Tommy De Vito und Hank Majewski. Als sie von RCA unter Vertrag genommen wurden, nahmen sie Gesangs-Gruppen Klassiker auf, R&B Hits und einige Country Songs. Damals waren all ihre Singles Flops und gehören heute zu den gesuchtesten und seltensten Singles jener Zeit. The forerunner of the Four Seasons, the Lovers included Frankie Valli, Nick and Tommy DeVito, and Hank Majewski. When they were signed to RCA, they recorded vocal group classics, R&B hits and a couple of country songs. All of their singles flopped at the time and are now among the rarest and most sought-after singles from the era.

MODERN RECORDINGS

CD CHD 1082 € 17.75

(2005/ACE) 26 tracks 1953-1957 with 12 page booklet

Shirley and The Queens are generally considered to be among the first female R&B groups, and pivotal to the 'girl group' sound that was soon to be embellished by the likes of the Shirelles, Marvelettes etc. Her later work with her brother Cornel's group, The Flairs, represents the apex of 1950s west coast rhythm & blues. This collection features every single recording that Shirley made for Modern and Flair - and, two later singles notwithstanding, pretty much represents her recording career in total. Almost 70% of these tracks have never been reissued on CD - four have never been issued at all.

 had a voice that made Paul Robeson sound like Betty Boop, that
 made Isaac Hayes sound like Tiny Tim. He was Jimmy Ricks, the
 bass singer with the Ravens. For it was his magnificent voice, the
 one which rattled speaker cones and caused unmentionable
 body parts to vibrate, which made the Ravens famous during that
 period of great change right after World War II. Here, for the first
 time, we've collected the entire catalog of the Ravens' National
 recordings. For fans of R&B vocal groups, here is where it all
 began.

These are the complete recordings by the Royals. The group had its first chart success with 'Get It' at #6 R&B in 1953, followed by the controversial 'Work With Me Annie', an R&B chart topper in 1954. The earlier recordings are classic doo wop, notably the original version of the later Gladys Knight hit, 'Every Beat Of My Heart' (here without the usual overdubbed rhythm section). Also included as bonus tracks are previously unissued takes of 'The Shrine Of St. Cecilia' and 'Work With Me Annie'.

DOO WOP SHOP - 30 GOLDEN CLASSICS

CD CHD 392 € 17.75

First released in 1992, 'Doo Wop Sho' has been one of the most enduring - not to mention best selling - Doo Wop compilations in Ace's long history. Compiled by former Capital Gold DJ Randall Lee Rose as a representation of his (now sadly defunct) radio show of the same name, it is a fine representation of streetcorner symphonies as it's possible to buy in one collection. Many of Doo Wop's finest hours (well, 3 minutes!) are featured, as a most of the genre's true superstars (eg Dion and the Belmonts, the Penguins, the Harptones, the Capris and the Jive Five) on the original versions of 'I Wonder Why', 'Denise', 'Remember Then', 'Pretty Little Angel Eyes', 'Earth Angel' and more.

BUCK RAM'S DOO WOP CD CHD 735 € 17.75
 □ Buck Ram is best known as the manager, producer, and songwriter for the Platters; however they were not the only vocal group under his direction during the 1950s and early 60s. Buck Ram's 'other' vocal groups were the young artists on this CD - the Colts, Shirley Gunter and the Flairs, Linda Hayes (and group), the Jewels, Flairs, Peppers, Flares, and the Chesterfields. Although these groups never matched the success of the Platters, their recordings captured the same smooth sound and polished stylings of his world-renowned group. The songs (many written by Ram himself - sometimes using pseudonyms like Lynn Paul or Jean Miles) all provide excellent examples of vocal group harmony and the unique sound of Buck Ram's doo wops. The recording quality of this selection of tracks is incredible-words can't describe it, it has to be listened to.

CD BB 9640 € 9.00

□ (2003 'Bullseye Blues') (44:11/13) Seit Jahren mal wieder ein spannendes und frisch klingendes Album des Bluesentertainers aus Chicago! Dank der Hilfe von Amerikas bester Instrumental-Rock'n'Roll-Combo, Los Straitjackets aus Nashville, klingt "The Chief" locker und spiellaunig wie lange nicht. Einige Klassiker, dazu viele neue Nummern. Ausgezeichnet / "The Chief's" new album is excellent! Thanks to America's premier instrumental R'n'R band, Los Straitjackets from Nashville, he sounds powerful, inspired and fresh. Some covers, but mostly new material. Recommended!

RAGTIME WRANGLERS

GROOVE ATUNE DIGIPACK CD SRV 21 € 16.90
 □ (2005/SRV) 14 tracks Nachdem man sich 15 Jahre von THE RAGTIME WRANGLERS live die Ohren hat durchblasen lassen, gibt es nun 'Groove A Tune', ein Album, das endlich die instrumentale Magie der Rotterdamer auch zu Hause wirken lässt. Die Mannen um Joe Sixpack, der szenieintern als einer der Top 5 Rockabilly Gitarristen gilt, lassen hier einen Hit nach dem anderen von der Leine, angefangen mit dem schweisstreibenden und gnadenlos jivenden 'The Manhunt', über das sanft bummelnde 'Groovesville' zu melodischen und wunderschön instrumentierten 'Blue Smoke' und der Weltklasse Coverversion des Jimmy Bryant Songs 'Low Man On A Totem Pole', die sich mit tödlicher Sicherheit zum grössten Hit und Tanzflächenfüller seit GO CAT GO'S 'Please Mama Please' entwickeln wird. Wer bisher dachte, das sich Instrumentals alle gleich anhören, der wird mit 'Groove A Tune' eines Besseren belehrt. Oder warum sind Bands wie die 4 CHARMS oder BIG SANDY grosse Verehrer der RAGTIME WRANGLERS?

Hervorragende Scheibe aus Kalifornien! Das Debut auf El Toro (CD ET 4030) war noch reiner Rockabilly. Mit dem neuen Album präsentiert das Truly Lover Trio einen Rock & Roll/ Pop Mix im Stil der 60er Jahre. Die Stimme von Marcel Riesco und die Arrangements der (bis auf "Twinkle Toes") eigenen Titel, erinnern so sehr an den großen Roy Orbison - Gänsehaut garantiert! Highlight sk Pure and from the heart, with catchy and right-to-the-point songs, blending an electric Roy Orbison sound and a fair amount of 1960s Rock and Pop with modern mainstream feel, the exciting sounds of Truly Lover Trio guarantee to turn you on. While we all know how easy it is to over-do, these guys from Hollywood, California possess the mysterious ability to make it sound terrific while keeping the true value of artistic simplicity alive. Truly Lover Trio's 'Dance' proves that good original music is still being made.

(2005/POLAR) PAL, English (Sub:S/E/F/ESP/I/J/NL/PORT),
Color, 16:9, Digital 5.1, Stereo, 95 minutes; ABBAMANIA - that
was the name given to the hysterical worship of four Swedes that
enthralled Australia during an intense period in the mid-1970s.
This phenomenon reached its high-point as ABBA conducted an
enormously successful tour 'down under' in March 1977. The
feverish madness of the tour was captured on film in director
Lasse Hallström's ABBA - The Movie, which remains as one of
precious few opportunities to experience ABBA live onstage. In
the film, we follow radio disc jockey Ashley Wallace as he tries to
hunt down the group for an exclusive, in-depth interview. Will he
make it or not...? Experience the excitement of ABBA's music and
the mania that surrounded them in this very first DVD release of
ABBA - The Movie. The film has been fully restored and comes
with remastered surround sound.

(1961 TV), Crazy Rockers (1963 TV) und Danny Everett (3 clips von 1997) Durch eine Mischung von Affinität mit schwarzer, amerikanischer Gitarren orientierter Musik, Frustrationen durch Kultur-Clash und der sensibelen östlichen Touch entwickelte sich ein ultimer Sound, der sich innerhalb weniger Jahre zum besten entwickelte, das Europa auf Musikebene zu bieten hat. Indorockbands ruderten gegen den Strom der üblichen Normen, sie tanzten, flirten und spielten hart, schnell und rau, und das alles mit viel Gefühl! In Deutschland waren die Tielman Bros, Javalins, Crazy Rockers und Black Dynamites mit ihrem Gefühl für die Show die Vorbilder der Beatles und Jimi Hendrix. Aber wo blieb die Anerkennung ihrer Leistung? Die Antwort findet man auf dieser DVD! SPIRIT - 180G VINYL SLP 5194 € 20.00

□ (2005/SUNDAZED) The mega-rare mono version of the visionary debut album by pivotal Los Angeles combo Spirit was only available for a brief moment in early 1968. Featuring eye-opening mixes, our release is an exact repro of the LP that introduced the world to Spirit classics such as 'Fresh-Garbage' and 'Mechanical World.' This unique version zeroes in on Randy California's tastefully-thundering guitar and the jazz-infused drumming of Ed Cassidy and is sourced from the vintage analog mono masters, completely untouched for over 35 years!
