## INFO:

- **Prepare yourselves for horror: Bear Family Records® guides you through a visit to the House of Horrors!**
- **Creaking floorboards, squeaking door hinges, cobwebs, dust and indefinable noises ... and we add to the horror with an R'n'R and R&B soundtrack bursting with Halloween smashes.**
- **The jam-packed CD scares with *I'm The Wolfman* by Round Robin, *Mad Witch* by Dave Gardner, *Horror Pictures* by the Calvanes and the horror doo-wop par excellence, *Zombi* by the Monotones!**
- **Plus familiar songs like *Little Demon* and *I Put A Spell On You* (Screamin' Jay Hawkins), Henry Mancini's *Spook, Bo Meets The Monster* by Bo Diddley, and lesser known ones like Merv Griffin (*The House Of Horrors*), Big Bee Kornegay with *At The House Of Frankenstein*, The Swingin' Phillies and *Frankenstein's Party*, Frankie Stein & The Ghouls with their killer instrumental *Knives And Lovers*, and so on and so forth.**
- **'Spooky' liner notes by Roland 'Heinrich' Rumtreiber in the illustrated booklet and originals carefully remastered for this CD album round off the album for foggy, stormy autumn evenings!**

Autumn, Halloween, strange figures and an old, apparently uninhabited house where things are not quite right, a real house of horrors, uncomfortable, draughty and not at all inviting. Unless ... you can count on loud support from hard-boiled rockers and guys like Screamin' Jay Hawkins with his classics *Little Demon* and *I Put A Spell On You*, or Bo Diddley with *Bo Meets The Monster* and the entire orchestra of Henry Mancini with *Spook*. If that's not scary enough for you, we recommend Merv Griffin with *The House Of Horrors*, Big Bee Kornegay with *At The House Of Frankenstein*, The Swingin' Phillies with *Frankenstein's Party*, Frankie Stein & The Ghouls with *Knives And Lovers*, Sharkey Todd with *The Horror Show* and Count Stephens with *Spooky*. Among the strongest supporters are *I'm The Wolfman* by Round Robin, *Mad Witch* by Dave Gardner, the Calvanes with *Horror Pictures* and finally *Zombi* by the Monotones! Casey Jones & The Governors may also enter with their demented interpretation of Screaming Lord Sutch's *Jack The Ripper*.

The spook factor is high with chain rattling, indefinable noises, grunts and gurgles and bone-chilling screams. Only for the very brave: off to the 'House of Horror' for about an hour. We wish you a wonderfully scary time.
